**4.1 Tim & Kathy Dyer - Town Dock**

## **5. Deputations**

### **5.1 David Brunton RE: The Concerned Citizens for the Preservation of The Old Town Beach Bridge**

## **6. Mayor & Councillors' Reports**

## **7. Ratification of Matters From Closed Agenda**

## **8. Consent Agenda - N/A**

## **9. Resolutions and Direction To Staff**

### **9.1.1 Big Sound Marina/Town Dock Operational Model 2025 and beyond**

Spokesperson: Dave Thompson, Director of Development and Protective Services

#### **Resolution 2024**

That staff be directed to release an RFP in the Fall of 2024 for the operation of Big Sound Marina by qualified private operators, and

That staff include in the 2025 budget funds to move the pump out station from the Town Dock to Big Sound Marina; and

That staff prepare an operational plan for the Town to take over operations of the Town Dock in October of 2025 for Council consideration.

### **9.1.2 Status of Town Dock for Cruise Ship Docking**

Spokesperson: Dave Thompson, Director of Development and Protective Services

#### **Resolution 2024**

The Corporation of The Town of Parry Sound

Council Meeting Agenda August 13, 2024

That Council receive the report on the *Status of Town Dock for Cruise Ship Docking* for information purposes.

### **9.1.3 Consent Application (B24-06) – 28 Hall’s Quarry Road**

Spokesperson: Jeremy Rand, Manager of Planning

#### **Resolution 2024**

That Council hereby approves Consent Application B24-16 at 28 Hall’s Quarry Road to create one severed lot and one retained lot on the subject lands subject to conditions of consent as outlined in Schedule A attached. (See Attachment #2)

### **9.2.1 2024 International Sport Heritage Conference, Boston, Massachusetts**

Spokesperson: Nicole Mullen, Manager, Charles W. Stockey Centre

#### **Resolution 2024**

WHEREAS Schedule C.5.e) of By-law 2024-7429 requires Council approval for staff to attend out of province conferences,

NOW THEREFORE Council authorizes BOHF Curator Caitlin Dyer and Stockey Centre Manager Nicole Mullen to attend the 2024 International Sports Heritage Association Conference in Boston, September 17 to September 19, 2024; and

THAT conditional upon conference funding secured to cover the full costs of one participant, Council authorizes Sadie Couroux, Sponsorship and Fundraising Coordinator to also attend said conference.

### **9.3.1 Request to subsidize Stockey Centre rental cost for 2nd Annual Mental Health Symposium**

Spokesperson: Stephanie Phillips, Director of Finance/Treasurer

The Corporation of The Town of Parry Sound

Council Meeting Agenda August 13, 2024

### **Resolution 2024**

That Council approves the sponsorship of the rental cost of the Charles W. Stockey Centre for the 2nd Annual Mental Health Symposium for their Friday night April 25, 2025 keynote speaker event through a donation of \$2,000 to be funded from the remaining Municipal Assistance Program funding in the 2023 budget.

### **9.3.2 Request from Dent Bay Bakery to Locate Ice Cream Cart on various Town Owned Properties.**

#### **Spokesperson(s)**

Author: Rob Beaumont, Manager of Revenue & Taxation

Spokespersons: Dave Thompson, Director, Development & Protective Services

Allison Kreuger, By-law Enforcement Officer

### **Resolution 2024**

That Council for the Corporation of the Town of Parry Sound hereby grants permission to Mr. Sean Solwski to operate Dent Bay Scoops ice cream cart from August 14, 2024, to September 30, 2024 at the following locations:

1. Old Town Beach at the end of Waubuno Road
2. Market Square Park
3. Top of the Tony Agnello Water Treatment Plant
4. Charles W. Stockey Centre
5. 1 Avenue Road (Old CPR Station/ Festival of the Sound office.)

subject to the following conditions:

## The Corporation of The Town of Parry Sound

### Council Meeting Agenda August 13, 2024

1. That garbage receptacles be provided by Mr. Solwski and removed at the end of day at his expense.
2. That a site plan be submitted for each property showing the proposed location of the refreshment vehicle (ice cream cart) to the Town's Licensing Officer or Manager of Revenue & Taxation for approval.
3. That the hours of operation shall be from 11:00 am until 8:00 pm from Monday to Sunday.
4. In the case of Market Square Park, if a scheduled event is planned, permission must be granted from the event's organizer to locate there during the event.
5. Must receive owners' written consent to locate and sell on private property and a copy of the letter must be submitted to the Town's Licensing Officer.
6. Must receive permission from the Festival of the Sound
7. That all other requirements under By-law 2006-4921 Schedule I must be met.

#### **9.4.1 2024 Veolia Ultrafiltration Users Group Conference**

Spokesperson: Mike Kearns, Director of Public Works

##### **Resolution 2024**

That Council authorizes the Manager of Water Systems to attend the Veolia 2024 Ultrafiltration Users Group Conference to be held in Milwaukee, Wisconsin, September 22 - 24, 2024, pursuant to Schedule C, Section 5e of By-law 2024-7429, which requires prior Council approval for attendance at seminars, conferences and conventions outside the Province of Ontario.

#### **9.4.2 Seguin Street Bridge Rehabilitation Tender**

Spokesperson: Vinni Bonazza, Manager of Operations

##### **Resolution 2024**

The Corporation of The Town of Parry Sound

Council Meeting Agenda August 13, 2024

To accept the bid from KB Civil Constructors Inc. for the Seguin Street Bridge Rehabilitation tender in the amount of \$345,518.72, excluding taxes, this being the lowest compliant bid of three bids received.

### **9.5.1 Childhood Cancer Awareness Month**

#### **Resolution 2024**

WHEREAS, over 800 children under the age of 15 are diagnosed with cancer each year in Canada; and

WHEREAS, 1 in 330 children will be diagnosed with cancer before their 18th birthday; and

WHEREAS, childhood cancer is the #1 cause of death by disease of Canadian children; and WHEREAS, there are over 200 types of childhood cancers not including subtypes and mutations; and

WHEREAS, childhood cancer places a tremendous financial burden on families; and

WHEREAS, over 75% of childhood cancer survivors live with at least one chronic health condition and a third of these are severe or life-threatening; and

WHEREAS, little is known about what causes childhood cancer which limits the opportunities for prevention; and

WHEREAS, additional awareness and funding for childhood cancer is needed as only 5 cents from every research dollar goes toward childhood cancer research; and

WHEREAS, annually, September is officially recognized as Childhood Cancer Awareness Month by the Province of Ontario,

NOW THEREFORE the Council of the Town of Parry Sound hereby proclaims September 1 to 30, 2024 as "CHILDHOOD CANCER AWARENESS MONTH" in the Town of Parry Sound.

### **9.5.2 Support for Ontario Immigrant Nominee Program (OINP)**

Spokesperson: Mayor McGarvey

#### **Resolution 2024**

WHEREAS employers across Northern Ontario are experiencing a critical shortage of skilled workers, contributing to a shrinking labour market with an estimated 50,000 newcomers needed by 2041 to sustain current Northern Ontario population levels; and

WHEREAS, the labour shortage is causing significant economic hardship for Northern Ontario communities, including reduced productivity and business closures; and

WHEREAS population and migration trends to 2021 suggest that Northern Ontario needs 100,000 newcomers by 2041 to sustain current population; and

WHEREAS the success of the federal Rural and Northern Immigration Pilot (RNIP) demonstrates the effectiveness of allocating nomination spots to address regional labour shortages in attracting newcomers to Northern Ontario; and

WHEREAS, the Ontario Immigrant Nominee Program has been expanded from 9,750 nominees in 2022 to a goal of 21,500 nominees in 2024;

NOW, THEREFORE, BE IT RESOLVED THAT Council of the Corporation of the Town of Parry Sound urges the Government of Ontario to address the critical market shortage of skilled labour in Northern Ontario by allocating 3,000 Ontario Immigrant Nominee Program spots to support the region's economic growth and development.

BE IT FURTHER RESOLVED THAT:

Copies of this resolution be forwarded to: the Ontario Minister of Labour, Immigration, Training & Skills Development; local Members of Provincial Parliament; the Federation of Northern Ontario Municipalities; and the Parry Sound Chamber of Commerce

## **10. By-laws**

### **10.3.1 Rural Economic Development Grant Funding Agreement**

Spokesperson: Stephanie Phillips, Director of Finance/Treasurer, Finance

#### **By-law 2024 - 7440**

Being a By-law to authorize the execution of an Agreement with the Minister of Agriculture, Food and Agribusiness regarding funding under the Rural Economic Development Program.

### **10.4.1 Construction Agreement with Contractors**

Spokesperson: Mike Kearns, Director of Public Works

#### **By-law 2024 - 7441**

Being a By-law to authorize the execution of an agreement with W.S. Morgan Construction Limited, Aecom Canada Ltd., Vicwest Inc. and 1255539 Ontario Ltd., o/a Lonelm Construction Company

### **10.5.1 Confirming By-law**

#### **By-law 2024 - 7442**

Being a By-law to confirm the proceedings of Council.

## **11. Adjournment**

Personal Information collected in Section 2. Public Meeting, Section 4. Correspondence and/or Section 5. Deputations is collected under the authority of the Municipal Freedom of Information and Protection of Privacy Act (MFIPPA), Section 21. (1) c and will be used to create a record available to the general public.

**Subject:** Re: Cruise Ships and the Towns Waterfront  
**Date:** July 24, 2024 12:05:30 PM

---

Hello Clayton, Town Council & Staff

Please consider this as official correspondence to Mayor and Council.

Thanks so much for taking the time to address our questions, that speaks highly of the town's commitment to communicate and respond to ratepayer questions, and is very appreciated.

We're really heartened that the town is seeking public input on the waterfront and related issues. We respectfully suggest the town solicit this input by communicating your requests through the local radio - both rez and moose, facebook and our local business associations and ratepayer groups. Otherwise, your website is not seen by a lot of folks. Would you be open to advertising your requests for input more broadly?

Cruise ships are a welcome addition to our working waterfront, it's part of our collective heritage. Our question is about the impacts both good and bad of increasing cruise ship traffic over the next many years and whether the town has a plan and strategy? Once the dock is repaired, has the town considered what the carrying capacity is for ship visitations? A cursory look at cruise ship impacts both here in Canada and around the world shows there's a limit to what a port can handle, without adverse effects directly impacting other users of the port. We shouldn't encourage more traffic without an end game. Can you please tell us if this is part of your deliberations?

We understand the town is concerned about 'missing the boat' with cruise ships. Parry Sound has inherently strong port attributes, which if cared for and managed well, will naturally encourage cruise ship visits. We don't need to fret about that in our opinion, but do need to be who we are and show the world we're a welcoming, authentic destination where all users are welcome and anyone can visit the waterfront and docks. This means moderating cruise visits to a reasonable number. Because of the security zone, public access is

denied each time a ship is in, so it makes sense in our opinion, to minimize impacts to the other tourism sectors by deciding when 'enough is enough'.

Thank you for sharing Bob Corrigan's anecdotal info about the benefits of visitation. They're well-taken, but just like our conversations with other businesses that show no appreciable benefit, this is all anecdotal. Real time data would help all of us and have a suggestion that would take minimal effort. Ask someone, perhaps a member of the waterfront advisory committee, to quietly and respectfully canvas cruise ship clients on one or two occasions as they return to their vessel. Simple questions would be, for example - please share what they enjoyed of their visit (or not), what businesses/services were especially valued and will they share roughly what was spent while visiting. Even one session would give the town some solid data and a snapshot of economic benefit.

We think the town is in an influential position to ask cruise ship companies how they deal with grey and blackwater. We have tried, and get no answers. We're not comfortable with blackwater being discharged just past the Mink Islands. If we're wrong, that's great but we all should ask questions to make sure and not rely on vague assurances or hide behind vague government regulations (they're not that great unfortunately). Especially if we are actively soliciting more visits. Will you undertake as a town to ask some simple questions of the companies?

With regard to the Service Ontario/MNRF property, we think we're at a critical juncture and careful thought is needed. We understand Infrastructure Ontario has a responsibility to sell crown lands at market value. But consider if the town were to take an innovative leap and undertake to create public/parkland remaining in perpetuity. With positive political pressure, the province might recognize and reward the town's courage and consider a lesser cost for the lands? Has the town carefully considered and agreed on its negotiating position with Infrastructure Ontario in advance of upcoming meetings?

We'll end by asking if the town will hold public meetings and canvas in multiple ways to get full input on waterfront development, increased cruise ship visits and what the public vision is for the Service Ontario/MNR lands? That will show the town you really want input and

bring us all together to talk about these important issues affecting all of us.

Thanks again for responding Clayton and we look forward to a reply from both you and council.

Sincerely,

Tim and Kathy Dyer  
705-773-8142

ps-would welcome being able to sit down with both you and Jamie over coffee:)

On Mon, Jul 15, 2024 at 4:18 PM Clayton Harris <[charris@parrysound.ca](mailto:charris@parrysound.ca)> wrote:

Recently you raised some questions regarding the Town dock and the cruise ships which visit the Town. Your questions didn't relate to any one department or individual so I've compiled the responses received from various Town departments. Responses to your questions are highlighted in red.

Dear Jamie, Council and Staff

Kathy and I appreciate very much the opportunity you gave her to share our concerns with the town waterfront and related issues. We truly believe you listened, and we're asking now for answers to

specific questions many local folk have asked us, as we sure don't know the answers. They are as follows:

*Will the town properly canvas both business and residents to get their input about how they want to see our waterfront develop? Yes. The Town is currently updating its Official Plan (OP). Public consultation is an important part of that process. Additionally, the Town is beginning an update of the Town's Waterfront Masterplan, it is more in-depth than the OP and obviously focuses on the waterfront. Public consultation is also important component of the development of the Waterfront Masterplan.*

*Will the town canvas both business and residents to determine all impacts of increased cruise ship traffic?*

*The Town dock is a public facility (owned by DFO and leased by the Town). Aside from safety concerns I don't believe historically the Town has denied anyone the right to tie up at the dock. As the agreement with Massassauga Management ends in 2025 the Town will be reviewing the agreement and determining if any changes are required. As discussions regarding the future management of the dock arise, that would be an opportunity raise questions.*

Does the town have a port carrying capacity limit for cruise ships, and if so what is that number. If not, will cruise ships be encouraged in ever-increasing numbers? *Tourism is an important part of the Towns economy. The arrival of cruise ships is one of a number of tourist attractions the Town and area have to offer. Visiting cruise ships distinguish the Town from other ports. The number of cruise ship visits in any given years can change depending on what their passengers are seeking in terms of amenities, services and excursions. The Town dock can only accommodate one cruise ship tying up at a time.*

What does a cruise ship pay in dollar amounts for the privilege of docking and who gets that? *Cruise ships pay a per foot rate based on the length of the ship. The current fee for docking is \$2.35/ft. Fees are collected by the operator of Big Sound Marina and the Town dock. Revenues generated by the Town dock are shared with DFO, the Town and the Operator.*

When ships dock, what happens to the other visiting yachts and boats tied up at the town dock, and how often is that space off-limits to their use? *Cruise ships dock for a day at a time, and not always on weekends. They are typically not registered in Canada therefore Transport Canada requires a security*

zone, and all passengers must go through customs screening. The cruise ship schedule is known well in advance. When a cruise ship is in port and tied to the dock other vessels can dock on the other side of the dock, however passengers must remain in the security zone.

Have we as a town, talked to Tobermory, Midland, Little Current, Sault Ste Marie and Thunder Bay to determine what they charge/ship and are we all asking approximately the same? If not - why? *The rate for cruise ships is based on market. Market is determined using on the rates charged by other ports such as those mentioned above.*

How much are local businesses really deriving directly from cruise ship passenger visits? *Similar to other types of tourism, not all businesses derive the same direct benefit from the cruise ship industry. Cruise ships bring additional visitors to the area, create new or different business opportunities and help diversify the tourism economy. We also understand that tourists come to Parry Sound specifically to see the cruise ships when they arrive.*

*Recently a member of the Waterfront Advisory Committee presented the following information:*

*“To the general public it may not be so obvious just how beneficial the cruise ships are to Parry Sound and area.*

Consider for a moment only the needs of the cruise ship operators and staff. They have relied on town merchants including Sobeys, No Frills, Georgian Bay Whole Foods, Walmart, The Farmer's Market, Ideal Auto , Stanley Steel, both Home Hardware locations, Home Depot, LCBO, Pollard's IDA, Bargain Shop and Obdam's Flowers.

... /2

The ships' crew members have availed themselves to pizza shops, KFC, McDonald's, ice cream from the Island Queen store and have attended the Bobby Orr Community Centre to play hoops and/or simply to relax and enjoy the area's amenities such as the Fitness Trail. In addition to goods, services provided to the visiting cruise ships include docking, Adams Brothers Construction for garbage removal, Legend Spirits Company and Trestle Brewing Company for on board sampling, The Terry Little Band for musical entertainment and speakers from Killbear Provincial Park and Georgian Bay Biosphere have made presentations. Interpreter and taxi service has also been provided.

The passengers have also visited restaurants, churches, the Bobby Orr Hall of Fame and Jessica's Studio. Parry Sound Bike rentals have been a welcome provision. Passengers have also made their way to Tower Hill Lookout and enjoyed kayaking, hiking, golf and Island Queen Islander Adventure Tours to Huckleberry Island, M.V Chippewa tours and airplane

sightseeing.

For some current and future potential investors, it has only been by water that they have discovered what some describe as “a diamond in the rough”. They are visionaries who see potential in our area. That puts Parry Sound on the international map. Then there are those amongst the visionaries who decide to move and settle here.”

*What discharges are occurring from the ships as they transit Georgian Bay? Do all ships visiting Parry Sound discharge sewage into our municipal system? Transport Canada governs the cruise ships on Georgian Bay. Not all cruise ships require sewage pump out. Those that do are charged a fee.*

*Is council aware that current federal regs permit grey water discharge (showers, sinks, kitchens etc) 3 miles offshore, and blackwater 12 miles out, and that this is at the captain's discretion. Do you have more up-to-date information on this? The Town recognizes the importance of environmental stewardship and in this instance protecting the waters of Georgian Bay. We are not in a position to comment on provincial/federal regulations.*

*Will the town create public space/parkland on the MNR/Service Ontario lands instead of retail,*

*restaurants and condo development? This was the strong preference of citizens who replied to your planning exercise and is on public record. As noted above, the Town is updating its OP and Waterfront Masterplan. As the Town is in the process of gathering information, including public input, it would be premature and inappropriate for Council to comment on the MNRF property.*

Please know that both of us enjoy seeing ships visit, as it harkens back to the early days of Parry Sound as a working port where commercial passenger ships were a regular occurrence, and caused lots of local excitement for folks on shore. But Parry Sound harbour needs to be there for everyone, not taken over by one activity. It needs to be durable, a place that any visitor or local would be glad to come down with their family and enjoy for decades to come.

Without being overwhelmed by commercial development, crowding or a dock blocked off to public access because too many ships are visiting. In other words, we need strong planning to say that this is our vision for the next hundred years, and it means tough decisions to limit what happens at our waterfront. A resource and happy place that belongs to everyone.

I have not cc'd particular people in this letter as I am asking for all councillors, and the mayor and staff

to provide us with their insights.

Thanks for listening and we would very much appreciate a specific reply to our request for information.

Sincerely,

Tim Dyer 705-773-8142

Kathy Dyer 705-773-8666

ps-although locals don't always speak publicly, we can tell you that there has not been one negative response to kathy's deputation, and instead there has been overwhelming support, which shows us there are significant concerns. there is a groundswell of questions as to what's happening at the water, and it would really be great if you would simply hold community meetings to let everyone know what you are all thinking and plans for the future...

The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.

Comments:

*I would like the trail maintained as it is. Perhaps a smaller foot bridge would solve the problem, with an alternate trail for snowmobilers in that area. With the proposed 'hill grade' problems will be caused for people with mobility issues.*

Comments: - I moved & lived in Parry Sound 37 years ago. I lived on Waukeek St. As a new mother, I would go for many walks pushing the stroller, along the fitness trail. The bridge was always a lovely part of the walk. As my son grew older, he always wanted to stop on the old bridge. It is a part of the fitness trail history.

As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it. \*①

② This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.

Comments:

① Who...? is spearheading the change from "Council's original decision".

② Common sense prevails. Therefore if it "ain't broke", why change it. This trail as it exists is sooo well used (NB - appreciated).

As a resident who resides adjacent to trail, I ask Council to update and preserve the ~~is~~ "LEVEL BRIDGE CROSSING" !!!

# Concerned Citizens for the Preservation of The Old Town Beach Bridge

Date July 30, 2024

To our Mayor and Council

Town of Parry Sound

52 Seguin St., Parry Sound, P2A 1B4

As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.

This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.

**As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.**

**This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

**As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.**

**This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

Comments: Accessible trails are paramount and as such, the bridge needs to be repaired. This trail is an important destination for locals and tourists of all abilities

Comments: This bridge has a very special historic presence on the fitness trail and would be noticeably missed if removed. Please reconsider

# Concerned Citizens for the Preservation of The Old Town Beach Bridge

Date July 19/24.

To our Mayor and Council

Town of Parry Sound

52 Seguin St., Parry Sound, P2A 1B4

**As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.**

**This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

Comments: - long time patron of this trail  
- grew up in P.S.  
- use the trail every time I'm in P.S.  
- see a lot of seniors using the trail

**As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.**

**This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

# Concerned Citizens for the Preservation of The Old Town Beach Bridge

Date July 22/24

To our Mayor and Council

Town of Parry Sound

52 Seguin St., Parry Sound, P2A 1B4

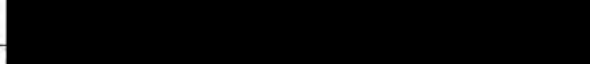

**As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.**

**This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

Comments: This bridge should be continuously maintained. It is a HUGE asset to the walking trail and all who use it. Not only is it historical to our town, should be designated "heritage" to protect it from any future ideas of removal!!!

# Concerned Citizens for the Preservation of The Old Town Beach Bridge

Date 2/10/24

To our Mayor and Council

Town of Parry Sound

52 Seguin St., Parry Sound, P2A 1B4

**As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.**

**This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

Comments: I find it quite ridiculous that a town tries to promote the fitness trail as part of our tourism business would think removing an essential part of the trail. Perhaps it would have been more prudent to survey the number of people who traverse the bridge to recognize how detrimental it would be to remove it rather than maintaining. Perhaps our tax dollars need to be reconsidering in light of such poor management.

## Old Town Beach Bridge

In our opinion, a flat trail (bridge in place) is the best option for all trail users in all seasons.

Removing the bridge would make the trail same as is at the end of Waubeek St. with an incline each side of the street. This incline can be difficult for some to navigate especially for someone with mobility issues.

During winter and spring I have avoided the trail at the Waubeek intersection because of the incline.

We also feel the bridge as is, adds historic charm.

Our feeling is to do the necessary repairs only.

# Concerned Citizens for the Preservation of The Old Town Beach Bridge

Date JULY 22, 2024

To our Mayor and Council

Town of Parry Sound

52 Seguin St., Parry Sound, P2A 1B4

**As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.**

**This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

Comments: Many senior and mobility challenged people use this bridge as the only navigable path for exercise. Removal of the bridge would have an adverse effect on the mental health and physical wellbeing of many citizens. Moving forward with this latest proposal would indicate an extreme lack of respect & concern by Council for a large segment of its constituency. Please proceed with the original decision for the good of the community.

Comments:

I completely agree with the above statement of  
As for future sewage proposals, plowing the  
area on the underside of the bridge  
might require comment.  
Also the stairs from Belmont Ave to  
the trail need repair

Comments: WE LOVE THE BRIDGE! IT IS HISTORIC, CONVENIENT AND PROVIDES WALKERS AND BIKERS WITH A SAFE WAY TO CROSS THE STREET. THE DECISION TO MAYBE REMOVE IT IS NOT PRACTICAL NOR SMART. WE PAY MORE PROPERTY TAX THAN SOME PEOPLE LIVING IN TORONTO SO IF YOU CHOOSE NOT TO SPEND MONEY FIXING OUR ROADS AT LEAST SPEND A LITTLE TO FIX THE BRIDGE! PLEASE LISTEN TO PUBLIC OPINION AND REPAIR THIS ICONIC PART OF PARRY SOUND HERITAGE.

Comments: Available funds should be used to fix the bridge, after all, the outrageous property taxes people pay who live in the Salt Dock condos, should be used for something useful like this bridge, since the town doesn't fix the road by the railroad tracks. Seniors with walkers, & young families with strollers use this trail every day. Repairing this bridge shouldn't even be an issue!

As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.

This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.

Comments: AS ONE OF THE LAST TRAIN CREWS TO RUN A TRAIN OVER THIS BRIDGE IT WOULD I BELIEVE BE TERRIBLY SHORT SIGHTED TO REMOVE AND DESTROY ONE OF THE FEW REMAINING PIECES OF HISTORY IN OUR TOWN. IT SHOULD BE KEPT ORIGINAL TO HONOUR THE CONTRIBUTION OF THOSE WHO BUILT THIS TOWN. ON VISUAL INSPECTION I WOULD FEEL MORE THAN COMFORTABLE STILL SAFELY RUNNING TRAINS OVER THIS BRIDGE

Town of Parry Sound

52 Seguin St., Parry Sound, P2A 1B4

**As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.**

**This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

Comments: Historical sites should take precedence  
over development. If lost, historical sites cannot be  
restored. They are gone forever.

# Concerned Citizens for the Preservation of The Old Town Beach Bridge

Date July 20<sup>th</sup>, 2024

To our Mayor and Council

Town of Parry Sound

52 Seguin St., Parry Sound, P2A 1B4

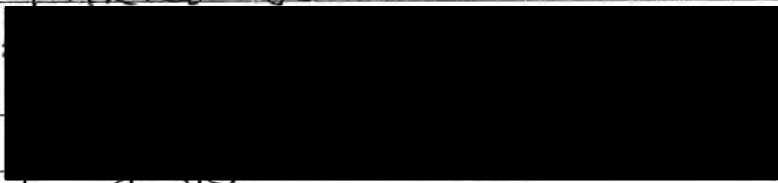

**As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.**

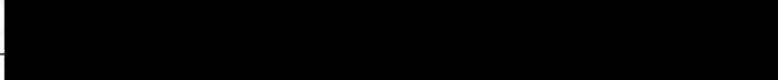

**This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

Comments:

I do not understand why we need to remove the bridge. AS someone whom walks the fitness trail from the Salt Docks to the Stockey Center, I have noticed new wooden boards added to the bridge and find the bridge, in it current condition, more than suitable. Arent there more pressing issues that the town of Parry Sound can address with our Taxes?

# Concerned Citizens for the Preservation of The Old Town Beach Bridge

Date July 21, 2024

To our Mayor and Council

Town of Parry Sound

52 Seguin St., Parry Sound, P2A 1B4

**As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.**

**This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

Comments: By tearing the bridge down it will destroy a part of the town history - Why is everyone so intent on eliminating history instead of cherishing it? Those with mobility issues (respiratory, cardiovascular, arthritis, joint replacement surgery etc) may find inclines and declines extremely challenging. They may also have mobility aids that can prove challenging to navigate on anything but a flat surface (these may include wheelchairs, electric wheelchairs, mobility scooters, crutches, canes, walkers, rollators, portable oxygen tanks. They may also find increased stress (heart rate, blood pressure, respiratory rate etc) because of an increased workload. Parents may not be able to keep up with their children and the children may not be able to stop & take a break at the roadway. Would stop signs be placed only on the trail or on the roads as well. It is just an accident waiting to happen. Same as the new town beach

**As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.**

**This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

Comments: I daily use the path over the historic Old Town Beach wooden bridge for my walks with canes. These walks give me the strength, at age 87, with a serious heart condition, to continue to work, part-time, as a psychotherapist. Without the bridge, I, like young families with baby-carriers or seniors with wheel-chairs or mobility difficulties, could not walk on a trail with steep up and down portions.

# Concerned Citizens for the Preservation of The Old Town Beach Bridge

Date July 25, 2024

To our Mayor and Council

Town of Parry Sound

52 Seguin St., Parry Sound, P2A 1B4

**As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.**

**This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

Date 25 JULY 2024

To our Mayor and Council

Town of Parry Sound

52 Seguin St., Parry Sound, P2A 1B4

**As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.**

**This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding to come in contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

Comments: *The bridge provides a safe level crossing - this cannot be stated more strongly. If the bridge is removed and walk ways up & down on lake side are made I can picture the difficulty in winter of having to step on icy slippery surfaces, injuries from falls and even the likelihood of ending the Town! We all enjoy the Fitness Trail please keep it as it is.*

# Concerned Citizens for the Preservation of The Old Town Beach Bridge

Date 19/July/2024

To our Mayor and Council

Town of Parry Sound

52 Seguin St., Parry Sound, P2A 1B4

**As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.**

**This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

Comments: Please keep the bridge!

Comments:

Any one with a health concern it is a perfect  
for them to walk. We have all kinds of  
people that live at the end & use that to walk  
to the Stockey, etc. I so could see an accident  
between pedestrians & vehicles, bikes & vehicles  
Very dangerous

Town of Parry Sound

52 Seguin St., Parry Sound, P2A 1B4

**As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.**

**This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

Comments: The bridge is an iconic part of the trail through Parry Sound. It's one of the most enjoyable parts of visiting from the city. I grew up in Parry Sound and having a safe transit to enjoy the water front with strollers and children is one of the things I love about coming back or visiting Parry Sound.

Comments: The bridge at Mountain Road is very important to me - I am a senior who uses walking poles to walk and hills are a problem.  
It would also be a problem for seniors with strollers and people with mobility problems.  
The bridge is historic - we enjoy it. Let's keep it -

Comments: As parents, my wife and I certainly feel safer walking with our daughter in areas where cars cannot access. Removing the bridge, combined with all of the foliage around, would create a hazardous crossing section. Please let the bridge stay. It provides safety for everyone, both young and old!

Comments: I'm worried about our trail. The fitness  
equipment disappeared and it is not back.  
On Prospect street (exactly on trail) are some  
very unusual signs that pedestrians must  
watch road in ahead; etc.

Town of Parry Sound

52 Seguin St., Parry Sound, P2A 1B4

**As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.**

**This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

Comments: Creating the walking path  
that crosses the road at blind  
corners will cost much more  
in liability when someone gets hit  
(ran over). It's not about its  
about safety heritage keep it beautiful.  
and our taxes got raised for more  
less important things

Comments:

Our bridge is a historical part of Parry Sound. I hope the council should be very careful if he thought they want to tear down the bridge. I walked along that bridge until the last 2 years I loved to stand & look out to the water on it. Please repair it!

Town of Parry Sound

52 Seguin St., Parry Sound, P2A 1B4

**As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.**

**This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

Comments: leave trail as is.

# Concerned Citizens for the Preservation of The Old Town Beach Bridge

Date July 21/24

To our Mayor and Council

Town of Parry Sound

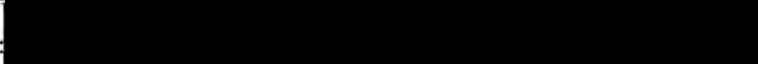

52 Seguin St., Parry Sound, P2A 1B4

As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.

This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.

Comments: THIS BRIDGE SHOULD BE A HERITAGE  
STRUCTURE. THE BRIDGE IS THE ONLY BRIDGE LEFT  
OF THE ORIGINAL 3 BRIDGES ON THIS LINE.  
THE ISSUES ARE FAR GREATER TEARING THE BRIDGE  
OUT AS APPOSED TO LEAVING IT IN.  
IF YOU NEED TO BRING SERVICES IN OVER TO THE SALT DOCKS  
BRING IT OUT FROM THE BOTTOM OF WAUBEK ST OR FROM  
THE SALT DOCK ROAD - UNDER THE ROAD!

52 Seguin St., Parry Sound, P2A 1B4

**As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.**

**This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

Comments:

Please keep this bridge. It is a  
landmark and a contributor to the  
quality of life of the residents.

**As a concerned citizen, I object to the Town's Public Works Dept's proposal to Council to remove this Historic bridge. I agree with and support the Council's *original* decision which is to use the available funds budgeted and approved to proceed with any repairs to preserve it.**

**This bridge continues to provide the safest form of transit over a roadway for people of all ages and abilities, people on bicycles, families with young ones in strollers, senior citizens out for a stroll, even snowmobilers avoiding encountering contact with vehicular traffic at yet another dangerous, sloped crossing along the trail. The bridge provides the only level, uninterrupted, safe walking path in Parry Sound from The New Town Beach all the way to The Stockey Centre with ample parking on both ends.**

Comments:

*This is a good route for exercise for people that can't climb hills and for those with walkers and electric chairs etc.  
Come on Parry Sound do something for seniors and ones with ailments*

Comments: I and many others use this bridge and connected trails every single day there is no logical reason to forego maintaining it. I meet both locals and tourist on the trails. The trail is a central part of anyone who walks outdoors in nature. There is no other trail where you can appreciate the bay on a level maintained pathway. People with mobility issues can't use the other trails. I don't want to walk next to traffic.

The Corporation of the Town of Parry Sound

## **Council Report and Recommendation**

### **Open Council Agenda August 13, 2024**

#### **Subject:**

Big Sound Marina / Town Dock Operational Model 2025 and beyond

#### **TOMRMS File Number:**

R05

#### **Spokesperson(s) Name, Title, Department**

Clayton Harris, CAO

Dave Thompson, Director of Development and Protective Services

#### **Purpose of Report:**

To provide a recommendation to Council on the Operating Model for Big Sound Marina and the Town Dock to utilize as a move forward position in October of 2025.

#### **Resolution 2024**

That staff be directed to release an RFP in the Fall of 2024 for the operation of Big Sound Marina by qualified private operators, and

That staff include in the 2025 budget funds to move the pump out station from the Town Dock to Big Sound Marina; and

That staff prepare a separate operational plan for the operation of the Town Dock in October of 2025 for Council consideration.

#### **Relationship to Strategic Plan:**

Core Service?      Yes

New Service, Project or Program? No

Identify the Relationship to Council's Strategic Plan: Waterfront

### **Background:**

The Town commissioned a Business Case analysis of the operations of the Big Sound Marina and Town Dock to assist in making an informed decision on the operational model to utilize upon the expiration of the 1-year extension provided to Massassauga Management Corporation (ending in October 2025). The Big Sound Marina Town Dock Analysis (Attachment #1) prepared by Karen Jones Consulting provided the following recommendations;

- Operations should remain with the private sector
- Separate the contracts for BSM and Town Dock
- Pump out station relocated from TD to BSM to facilitate separate leases

### **Public Comments**

The Big Sound Marina Town Dock Analysis was posted on the Town's web site on July 17, 2024. The analysis and the request for comments was reported on the local radio on July 18, 2024. Eight responses were received and are included in this report as Attachment #2. A general summary of the responses is as follows;

- Big Sound Marina should be left to qualified private sector operators
- Consideration should be given to the Town directly operating the Town Dock
- The Pump out station should be moved to Big Sound Marina

The DBA Board of Directors provided feedback that did not completely align with the above bullets. The DBA has concerns over the Harbour Walk Shops specifically. The DBA is stressing collaborative approaches and a focus on the Town Dock supporting an enhanced visitor and Downtown experience.

Other specific feedback included continued consideration for Sail Parry Sound to receive docking space at BSM for no charge and the continuation of the current transient and seasonal mix of dockage at BSM.

## **Staff Recommendation**

1. Big Sound Marina be operated by the private sector. A detailed RFP should be release in the Fall of 2024 to allow for qualified operators to prepare a detailed response to the RFP during their slow season. Using the Karen Jones report recommendations the RFP would outline appropriate standards of care, revenue sharing with an expectation that responses will include previous marina management experience, new ideas and creative visions for growth.
2. Town Dock operations be taken over by the Town and that an operational plan be prepared and approved by Council that would address the priorities and funding avenues to achieve the defined goals.
3. The pump out station be relocated to BSM prior to the 2025 boating season to prepare for the separation of the leases. This also enhances the Town Dock experience and places the pump out station in a higher demand location.

## **Advantages and/or Disadvantages of Staff Recommendation:**

The Town gains more control over the Town Dock with limited exposure to financial implications.

The Big Sound Marina operations would stay in the hands of a qualified private sector organization.

## **Alternatives:**

The Karen Jones report recommends both BSM and TD be leased to the private sector. This is the only alternative that staff see as viable as compared to the staff recommendation.

## **Cost/Financial Impact:**

The impact will be variable based upon the content of the RFP and any changes to the service levels provided to the Town Dock. These will be fully explored through the BSM RFP process and the presented Town Dock operational plan when it is before Council.

**Included in Current Budget: n/a**

**Attachments:**

Attachment #1 - Big Sound Marina Town Dock Analysis

Attachment #2 - Received Comments on the Analysis

**Director Approval DT; Date: August 6, 2024**

**CAO Recommendation for Council Approval:**

Yes

# Overview

Located at 1 Bay Street in Parry Sound, Big Sound Marina is situated in a protected harbour and in walking distance to dining establishments, entertainment, shopping, and a variety of services. The Marina is owned by the Town of Parry Sound and operated by the Massasauga Management Company Inc. The Town Dock is also located in the vicinity and leased to the Town of Parry Sound from the Department of Fisheries and Oceans/Small Craft Harbours. The Town Dock is managed on behalf of the Town Parry Sound by Massasauga Management Company Inc.

## The Marina features include:

- Transient & seasonal dockage
- 120 serviced slips at Big Sound Marina
- Accommodating vessels up to 85' at Big Sound Marina
- Hydro/water hook ups
- Complimentary morning coffee
- Complimentary BBQs for use by boaters
- Accommodating vessels at the town dock
- Clean restrooms & private showers
- Laundry facilities
- Convenience and merchandise store
- Local official navigation charts for purchase
- Clean marine participant
- Free wireless internet on the docks
- Year-round storage & maintenance off site

The fees for the dock space are costed out by the size of the vessel and length of stay. Seasonal pricing differs from transient pricing. The fees for the 2024 season are as follows:

## Transient Rates + taxes:

### Day Dockage

\$5.50 per 3-hour period  
(\$16.50 charge for daytime utility use)  
Annual Day Dockage permit of \$150.00

### Overnight Dockage:

Daily - \$2.35/ ft (including Town Utility Surcharge)  
Weekly\* - \$10.50 / ft  
+ \$1.05 /ft Town Utility Surcharge  
Monthly\* - \$34.00 / ft  
+ \$3.40 / ft Town Utility Surcharge  
Pumpout: \$26.55

## 2024 Seasonal Rates + taxes:

\$77.50 /ft (LOA)\*  
+ 10% Utility Surcharge from Town of Parry Sound  
\*(overall length of vessel including swim platform, davits, and bow pulpit)

## Seasonal Rates Include:

Slip Rental from May to October 13 ,2024  
1 Car Permit Parking @ Stockey Centre or Town Dock  
Free WiFi  
Unlimited pumpouts at Town Dock  
Hydro & Water Service  
Complimentary morning coffee  
Bathroom, shower, laundry, and BBQ facilities

Massasauga Management Company Inc. oversees the Town Dock, with support from Northern Perk. In addition to running the coffee shop from the Town Kiosk, the business takes a lead role on coordinating special events at the bandshell, cleaning and locking the public washrooms and handling financial transactions for Big Sound Marina when required.

The Harbour Walk Shops is a new addition at the Town Dock and has been expanding positively since inception in 2022. Opportunities for expansion include growing the number of stalls to 10, adjusting the hours of operation, minimizing parking disruption, vehicle flow and pedestrian safety. The Town of Parry Sound, Parry Sound Area Chamber of Commerce and Downtown Business Association (DBA) are actively involved in the Harbour Walk Shop initiative and are strong partners to the future growth of the waterfront and downtown area. The Harbour Walk Shops are currently managed jointly by the co-owner of Northern Perk, Shirlene Johnston and owner of Massasauga Management Company, George Stivrins.

## Current Situation

Big Sound Marina and Town Dock is currently operated by Massasauga Management Company Inc. The operations have been seamless, and the Marina and Town Dock activity has continued to grow and evolve. A profitable business entity has been established under the strong leadership of George Stivrins and his team of eight employees. Through this growth, there has been an increase in business activity at the Town Dock with the opening of Northern Perk and the Harbour Walk Shops. At Big Sound Marina, transient boaters positively contributed to the tourism sector attracting both domestic and US markets. With the increased popularity in cruise ships and the America Great Loop, the port has also witnessed an influx of international visitors who have been attracted to the area.

Big Sound Marina is considered to be one of the best ports in the boating community. With its natural beauty and private location, the amenities and accessibility to downtown Parry Sound makes it a spot that tourists continue to flock. The majority of transient boaters visit the 85 slips during the peak summer season with July and August being the busiest time. To balance dock usage, 35 seasonal slips are rented, and dock space is well managed by Massasauga Management Company to maximize usage and ensure all needs are met. To welcome as many transient boaters as possible, Massasauga Management Company have established a solid system to ensure a balanced approach between seasonal and transient boaters. The 2023 season demonstrated an increase in demand and revenue compared to the 2022 season. The added volume of the cruise ship activity contributed to this increase; however, this demand may decline in 2024 due to a decrease in the number of cruise ships. It is expected that the number of transient boaters will continue to increase as popularity for the port is on the rise.

## Purpose

With the retirement of George Stivrins and Massasauga Management Company, the Town of Parry Sound must plan for a transition in management. Massasauga Management Company will continue operations until the end of the 2025 season. At such time, a new operator is required. This presents an ideal opportunity to re-evaluate the operations model prior to the expiration of the current agreement. Navigating the next steps requires careful planning, collaboration, and a commitment to effective governance, and management practices to ensure the future success of Big Sound Marina and the Town Dock.

The purpose of this document is to analyze the current situation and offer a recommended direction for next steps. Two options are available for consideration:

**1. Recruit a new management team to oversee and operate Big Sound Marina and the Town Dock.**

OR

**2. Incorporate the daily operations in house with Municipal staff members overseeing and managing the facilities.**

## Private-Sector Operation

There are many opportunities and benefits that have emerged due to the current public-private arrangement. The proven partnership model appears to be working very well as Big Sound Marina has continued to perform year-after-year, offering the boating community a pristine location coupled with amenities. The economic growth of the Town Dock area demonstrates the commitment and private sector investment that can be stimulated when businesses are given the opportunity to collaborate. Community space, partnerships and small business growth are key components to waterfront and downtown revitalization. With the inception of Northern Perk, the economic benefit of the Harbour Walk Shops, and the strong commitment to coordinate ongoing entertainment are great ways to foster vitality and attract residents and tourists to the shared space. These enhancements were spearheaded by the private sector (inclusive of the Chamber/DBA) which fosters entrepreneurial spirit and encourages organic business growth. It can often be challenging to get private sector buy-in when programs and services are heavily driven by government. Community revitalization and tourism product development can be much more effective when it is industry led. As such, it is important to recognize the strong economic impact private-sector businesses and non-profit organizations are making towards the waterfront and downtown revitalization efforts in Parry Sound.

Furthermore, it is imperative to reflect on the benefits associated with a well-run and operated marina. The current model has proven that Big Sound Marina has made a significant economic impact by attracting boaters and tourists which enhances job creation and stimulates local businesses. This includes fuel services, dining, shopping and fixed roof accommodations. The investments made to Big Sound Marina and the Town Docks enhances the quality of life in the community and creates pride of place among residents. With local events hosted at the band shell and boating rendezvous excursions attracting large groups of boaters, engagement and gathering is on the rise. Bringing people together fosters a strong sense of pride and directly benefits the community.

As a result of the solid working partnership between the Town of Parry Sound and the current operator, the Municipality has been actively involved and able to ensure that the operations and growth plans align with the community's vision and priorities. The Town of Parry Sound Strategic Action Plan 2023-2026 identifies several

goals and tactics that have been advanced due to the progress made at Big Sound Marina and the Town Dock. This includes partnering to diversify the local economy, taking action to support the waterfront, investing in infrastructure improvements, increasing recreational opportunities and supporting and strengthening the tourism sector. As a result of Council’s commitment to public-private partnerships, positive impact has been witnessed in the local economy.

## Municipally Operated Model

To effectively assess the option to bring Big Sound Marina services in house, conducting research and reviewing the current operational model was required. Consultation with the current tenants, Massasauga Management Company and Northern Perk about day-to-day operations and the interworking between the activity at Big Sound Marina and the Town Dock allowed for a fulsome understanding about the current model. Discussion with Town of Parry Sound Senior Management provided a cursory look at linkages, synergies, and gaps to determine the best path forward. During this research, information was gathered about how the operations occurred and what would be required should the Town of Parry Sound consider taking over the operations. While there are many benefits for both scenarios, it is important to consider all aspects before making a final decision about the best approach forward.

The following highlights pros and cons that the Town should consider prior to finalizing the decision.

### Municipally Operated Pros

- Established municipal departments with capacity to support all aspects such as finance, HR, public works, parks & recreation, economic development etc.
- Solid organizational structure with HR capacity within the Corporation.
- Utilizing public sector dollars not relying on private investment.
- Stronger financial resources than a private business.
- Existing ownership of the Big Sound Marina property.
- Long-term relationship with DFO for Town Dock lease.
- Direct control over the management and policies of the marina.
- Ability to make decisions on pricing, amenities, and services based on what benefits the community and aligns with the goals for waterfront development.
- Offers a holistic and long-term approach to marina management, considering factors such as environmental sustainability, infrastructure maintenance, and community development over time, rather than focusing solely on short-term profits.
- Provides greater stability and continuity compared to private businesses that may come and go.
- 100% of profit can be reinvested directly into the Town budget, benefiting residents and supporting local infrastructure and services.

## Municipally Operated Cons

- Difficult to maintain long-serving relationships with boating community/tourists due to seasonal staff turnover.
- Management required to oversee operations and be on-call for emergencies potentially resulting in overtime pay requirements and distractions from other priorities.
- Potential need to hire a new full-time position to manage the facilities and oversee seasonal staff.
- Municipal hours of operation (Mon-Fri/8:30a.m.-4:30p.m.) don't reflect the boating community needs, with requirement for differing hours of operation.
- Municipal staff wages are typically higher than the private sector with the requirement for a management position to be responsible year-round at a higher pay scale.
- Susceptible to bureaucratic procedures, which can slow decision-making and responsiveness to market demands or emergencies compared to private businesses. This can hinder efficiency and adaptability.
- Subject to political influences and decision-making processes, which can impact the management and direction of the operations. Political considerations may sometimes override economic or operational considerations, leading to inefficiencies or conflicts of interest.
- Higher risk and liability associated with operating the marina, including risks related to accidents and legal disputes. Managing these risks can be complex and costly.
- Competing priorities and challenging to balance the needs of the marina with other municipal services and infrastructure projects.
- Revenue generation challenges to cover operating costs and infrastructure maintenance which may lead to reliance on taxpayer subsidies or deferred maintenance.
- Limited expertise as municipal staff may lack knowledge in marina management, leading to challenges in areas such as marketing, customer service, revenue generation, and daily operations. This can result in lower service quality and profits compared to privately operated marinas with dedicated management teams.
- Challenges in implementing long-term planning and investment strategies due to election cycles, changes in municipal priorities, and budget constraints.
- Would no longer receive 8.5% of gross revenue derived from the operation of the Marina, 5% of gross revenue from Town Dock and 10% services surcharge on boat slip and docking space fees.

# Estimated Municipal Staff Wages & Benefits

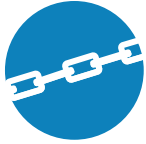

Should the Town of Parry Sound take on the management role, the following provides a high-level view of the estimated municipal labour costs based on 2024 salary ranges. It is assumed that these positions will be non-unionized and except for the Manager, staff are seasonally employed from May – September annually.

The number of employees identified is based on the current business model which relies on eight Massasauga Management Company employees plus the owner to operate the facility effectively.

Wages	Costs	Quantity	Total Exclusive Municipal Employment Benefits
Manager full-time (year-round) Step 5 level	\$91,619 annually	1	\$107,162
Seasonal supervisor	\$29.31/hour x 40 hours/week x 20 weeks	1	\$23,448
Seasonal full-time seasonal staff (lead hands)	\$26.45/hour x 40 hours/week x 20 weeks	3	\$63,480
Seasonal part-time seasonal staff (support)	\$23.58/hour x 20 hours/week x 16 weeks	4	\$30,182
		<b>Subtotal MERCs (30%)</b>	<b>\$224,272 \$291,553.60</b>

# SWOT Analysis

## Strengths

- A personal vested interest in the overall success of the business entity.
- Financially invested with private dollars.
- Business continuity year-round.
- Nimble and flexible approach to challenges and opportunities.
- Ability to adapt to individual boater needs, unique offerings, and foster personal relationships.
- Active operator and strong management team available 24/7 for emergencies and year-round.
- High staff retention rates with majority of workforce returning annually.
- Ability to manage needs of seasonal and transient slips.
- Well managed services/amenities that respond to private sector needs (e.g. Northern Perk, Harbour Walk Shops, etc.).
- Flexibility to cultivate a strong workforce.
- Management team has specialized knowledge and experience in managing marinas efficiently and streamlines operations, implements innovative practices, and responds quickly to market demands.
- Agile approach to responding to changing market conditions and customer preferences with strong focus on customer service, amenities, and pricing that attract boaters and generate revenue.
- Assume majority of the financial risks and liabilities associated with operating the marina, relieving the Municipality of potential financial burdens in the event of accidents, property damage, or legal disputes.
- Ability to generate profits, which can incentivize investment in maintenance, upgrades, and expansion. This can lead to a financially sustainable operation without relying on taxpayers.
- Town assumes responsibility for maintaining and repairing infrastructure such as docks, piers, moorings, buildings, and some equipment.
- Town cuts grass and cares for seasonal planters.
- Do not require public funding to support daily operations which can alleviate pressure on municipal budgets and allow resources to be directed toward other public services and infrastructure.
- Ability to offer quality customer service and satisfaction to attract and retain customers such as providing timely responses to inquiries, maintaining clean and well-maintained facilities, and addressing customer concerns and complaints effectively.
- Strong sense of entrepreneurial spirit and innovation to the management of the facility, with ability to seek out new opportunities for revenue generation and community engagement that may not be a priority for municipal operation.

## Weaknesses

- High initial investment for new operator's start-up costs.
- Do not own property and reliant on Municipal agreement.
- Ageing infrastructure.
- Reliant on Town for infrastructure upgrades.
- Manage cash flow and expenses to account for fluctuations and maintain financial stability throughout the year despite seasonal operation.
- Strong competition for transient boaters and may require product differentiation, marketing tactics and/or lower prices to attract and retain customer base.
- On call support for boater needs and environmental disasters (e.g. wind bursts, storms, etc.) regardless of time/day.
- Accountable to the local community, residents, and stakeholders to address concerns about noise, traffic, environmental impact, and public access to waterfront areas, etc.
- Business operations could just close without a succession plan in place for the continuity of operations

## Opportunities

- Create two-three lease agreements Big Sound Marina/Town Dock, Town Kiosk/Bandshell/Washrooms, Harbour Walk Shop Area.
- Upgrade shower/laundry facilities.
- Relocate pump station to Big Sound Marina to avoid safety hazards when boats are using pump out services and to eliminate smell in a public area near food & beverage.
- Encourage foot traffic to walk between waterfront and downtown with increased signage, wayfinding and increased marketing efforts.

## Threats

- Economic uncertainty and decreased revenue during economic downturns.
- Vulnerable to environmental risks such as storms, flooding, erosion, and pollution.
- Transition to a municipally operated marina/town dock.
- Inability to find a suitable private-sector operator.
- MNR property adjacent to Big Sound Marina is sold to a competing Marina.
- Larger conglomerate purchases Big Sound Marina from Town of Parry Sound.

# Operations Plan

## Human Resources Plan

The following organizational chart depicts the recommended HR plan based on the business model that has proven successful for Massasauga Management Company. It is important to note that should the Town of Parry Sound chose to operate the facility, consideration to union contracts may have to be considered for some of the positions. Furthermore, wages and benefits may differ from private sector to municipal positions based on pay grids and contractual employment agreements with the Town of Parry Sound. The Manager position is a full-time, year-round position as it requires pre and post season planning, financial planning, marketing & sales, customer service, and business development even when the Marina and Town Dock is not open. The Manager of Big Sound Marina & Town Dock would report to the Director of Development and Protective Services.

## Capital Asset Infrastructure Improvements

Ongoing upgrades and enhancements have occurred on an annual basis by the Town of Parry Sound, Massasauga Management Company and Northern Perk. In 2023, the following upgrades were made.

- Repair of Town Dock Kiosk roof and interior issues
- Electrical upgrades to Kiosk and provision of electrical services to Harbour Walk Shops
- Repairs to concrete spalling at Town Dock
- Replacement of hand drying unit in men's TD washroom
- Improvements to lighting in Big Sound Marina ladies washroom and laundry room
- Removal of dead landscape bushes and creating drainage swale for Big Sound Marina parking lot
- Replacement of C Dock GFI breakers

Regardless of who operates the Marina and Town Dock, there is an apparent need for infrastructure improvements. Based on the report provided by Massasauga Management Company at the end of the 2023 season, the following improvements should be considered as part of the Town of Parry Sound Capital Asset Management Plan.

### Big Sound Marina Infrastructure Needs

- Replace/fix large wood timber support posts at Marina deck
- Repaint / recaulk both buildings
- Fix water leaks in skylight/ roof area in several places
- Replace large Marina ID sign
- Deter intense bird activity at east end of Marina breakwall
- Upgrade and modernize washrooms and shower building

**A Dock** - Review and assess health and safety hazard with respect to ramp transition

### Town Dock Infrastructure Needs

- Upgrades to public washrooms including repairs, maintenance and cosmetic enhancements
- Installation of backflow prevention in floor drain in utility room
- Town Dock building requires partial siding replacement and exterior repaint
- Slow drainage of rainwater accumulating under Harbour Walk Shops should be investigated and repaired
- Hole in pavement at parking lot next to Northern Perk should be repaired
- Relocate the pump out station to Big Sound Marina (identified during research process)

## Financial Considerations

Based on the 2023 year-end financial report from Massasauga Management Company, the gross revenue for the season was \$331,616.64. Operating expenses include wages & benefits, repair & maintenance, marketing & advertising, telecommunications, insurance, utilities, etc.

Should the Town of Parry Sound take over the operations, based on the estimated municipal wages listed above, the financial breakdown is as follows:

<b>Gross revenue based on 2023</b>	<b>\$331,616</b>
<b>Less: Estimated wages</b>	<b>\$250,474</b>
<b>Total before operating expenses</b>	<b>\$81,142</b>

Due to a decrease in cruise ship activity, gross revenue is not predicted to increase significantly. As the estimated number of transient boaters increases, it is anticipated that future seasons will witness comparable overall revenue. With this assumption, it is estimated that approximately \$81,142 will remain for all operational expenses and any employee benefit packages offered as part of the Town of Parry Sound compensation plan. In addition, the Town of Parry Sound would no longer receive the 8.5% of gross revenue derived from the operation of the Marina, 5% of gross revenue from Town Dock and 10% services surcharge on boat slip and docking space fees. However, the services surcharge would still flow to the Town of Parry Sound directly from the users.

In 2023, Massasauga Management Company paid \$27,059.90 to the Town of Parry Sound for the return on dockage and sales, \$30,847.64 for the utility surcharge and \$7,280.46 for the Small Craft Harbour payment.

Please refer to Appendix A for a copy of the financial report and documentation submitted by Massasauga Management Company.

## Recommendation

Following an assessment of the information gathered, coupled with tourism product development principles and the impact that public-private partnerships have on local economic development, the day-to-day operations of Big Sound Marina and the Town Dock are better suited to be managed by the private sector. The Town of Parry Sound Strategic Action Plan 2023-2026 boasts the need for partnerships, engagement, and involvement from local businesses. The current operating arrangement has proven that the model can work and should be identified as a best practice model for other municipalities to consider.

The recommendation is based on a review of the pros and cons of a municipally led operation, a review of the current landscape and SWOT Analysis, the anticipated municipal labour costs measured against Massasauga Management Company 2023 Financial Report, the learning curve for Municipal staff and the added risk and liability for the Town to operate the Marina. This information is compared against the potential return on investment for the Town of Parry Sound. As such, it does not appear to be cost effective with enough revenue to substantiate a transition of management from private to public sector. The risks and growth opportunities are more prominent in the private sector where there is an increased possibility to attract an entrepreneurial management team with experience operating marinas.

Furthermore, with the proven long-term success of the private-sector partnership model, and the opportunity for the Town to collect a percentage of gross revenue from the operation of the Marina, gross revenue from Town Dock and a surcharge on services percentage, it is recommended that the Town of Parry Sound seek support from a qualified private sector operator following the retirement of Massasauga Management Company. In doing so, consideration in the new lease agreement should be given to increasing the percentage of revenue collected from gross sales and service surcharges or charging a flat lease agreement rate and only collecting revenue from service-based surcharges. This will allow the Town of Parry Sound to accurately budget the incoming revenue sources and alleviate the need to be reliant on the new operator gross revenue and sales abilities.

Currently, the Town receives 8.5% of gross revenue from the operation of the Marina, 5% of gross revenue from Town Dock and 10% services surcharge.

To further enhance and streamline the process, a new operating model should be considered. Massasauga Management Company currently holds a lease agreement with the Town of Parry Sound. Northern Perk and Harbour Walk Shops have sub-lease agreements with Massasauga Management Company. Northern Perk is owned by Shirlene Johnston and Gigi Harding. Harbour Walk Shops is co-owned by Shirlene Johnston, co-owner of Northern Perk and George Stivrins, owner of Massasauga Management Company. The current model is depicted in Figure 1 below.

**Figure 1: Current Lease Agreement Structure**

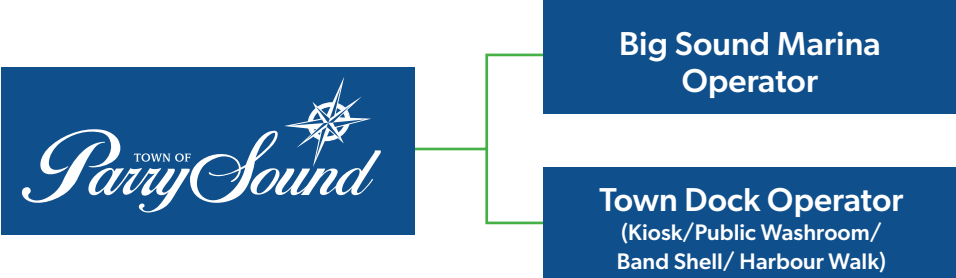

Following the retirement of Massasauga Management Company, Northern Perk and Harbour Walk Shops have intentions to continue operations. To create clarity in role and function, the new operator for Big Sound Marina should hold an operating agreement with the Town of Parry Sound, separate from the Town Dock. A new operator should be selected to manage and oversee the Town Dock, inclusive of the Public Washrooms, Kiosk and Harbour Shop Walks. This should be operated separately from Big Sound Marina. This approach will minimize business disruption and create a more efficient process.

To accomplish this, the pumphouse should be relocated to Big Sound Marina. This will not only avoid the detraction of sewer cabling running over the dock in a public space, but it will also keep all marina related services confined in one area creating a seamless operations model for the new Big Sound Marina management company.

Should this occur, it is recommended that one lease agreement be established for Big Sound Marina and one for Town Dock inclusive of the Kiosk, Public Washrooms, Bandshell and Harbour Walk Shops. Specific terms, lease amounts, responsibilities, boundary areas and details should be further explored as per the needs of the two operators. Consultation and discussion should occur as part of the negotiation process. Please refer to Figure 2 for the proposed new model.

**Figure 2: Proposed Lease Agreement Structure**

It is also recommended that the Town of Parry Sound undertakes a competitive RFP process and selects the most qualified operators for the job. The selection criteria should include previous management experience, new ideas and a creative vision for growth. Once new operators are selected, a transition plan should be developed with input from the Massasauga Management Company. Consideration should be given to documenting business practices such as standard operating procedures, customer relationship management systems and best practices/systems to create a turnkey operation for the new operators, particularly at Big Sound Marina. A new operator may be interested in purchasing existing equipment and inventory from Massasauga Management Company. Mentorship and coaching may also be offered on a fee for service basis if required and if Massasauga Management Company are willing to play a key role in the transition plan.

## Proposed Next Steps

To seamlessly transition from Massasauga Management Company to new private operators, the new operating agreement model must be approved and adopted by the Town of Parry Sound. Engaging and maintaining open communication with the current businesses and organizations involved in all aspects of Harbour Walk Shops, Big Sound Marina, and the Town Dock will allow for effortless transitions to a model that aligns with everyone's needs.

### The following steps should be taken.

1. Approve new operating model with two lease agreements.
2. Solidify lease agreement terms, conditions, operating hours, responsibilities, etc. for each operation. It is recommended that engagement with local businesses and organizations occur to incorporate feedback into decision making process with respect to future operational conditions.
3. Consult and discuss needs with existing operators.
4. Seek input from partners such as Chamber and DBA.
5. Develop and disseminate two RFP's which include Big Sound Marina operations and the Town Dock (inclusive of the Kiosk, Public Washroom, Bandshell and Harbour Walk Shops) operations.
6. Award contracts and draft operating agreements.
7. Develop a transition plan in collaboration with Massasauga Management Company for Big Sound Marina and Town Dock.

- **Please provide feedback on the Review & Recommendations document.**

Why would/nt parry sound be responsible for the dock. It is time the town done something to improve tourism. There is nothing on main street to draw people to.

- **Please provide feedback on the Review & Recommendations document.**

I believe that continuing an agreement with a private marina manager is a better option for the Big Sound Marina instead of municipal staff solely taking on the operation. With a thorough bid and tender process, the Town should select an experienced private marina manager who knows not only about marina customer relations, but with marina customer retention and attraction. The Town Dock and Big Sound Marina go hand in hand with economic development and tourism for our town. Having said that, they are both rather different entities and would benefit from having separate lease agreements. I am also thrilled with the possibility of moving the pumphouse from the town dock to the marina property! As a past summer student employee, there was never EVER an optimal time to have a pump out, especially on a busy sunny day at the town dock! I don't doubt that it leaves some sort of negative impression on those visitors. It just makes sense to have it right at the marina property (understanding that there may be servicing capacity concerns to consider). Thank you for providing this opportunity to comment, I hope it positively contributes to the public discussion.

Hello,

Please note the following response to Request for Public Comment has been submitted at Tuesday July 23rd 2024 1:00 PM with reference number 2024-07-23-011.

- **Please provide feedback on the Review & Recommendations document.**

I agree with the recommendations to have private management of Big Sound Marina conditional upon mutual agreement of terms between the operator and the Town management. Big Sound Marina has provided dock space for the Sail Parry Sound coach boats free of charge for over 25 years and it is important for that arrangement to continue to help keep Sail Parry Sound viable.

As a patron of Big Sound Marina myself, I believe that it is well run and I have witnessed its popularity continue to grow. It needs an entrepreneurial approach to keep improving so that good customer service is rewarded. I think the mix of seasonal and transient docking is the right approach as local marinas seem to be at capacity and cannot accommodate the bigger boats.

I also agree that the town dock should be managed by the town's economical development staff as there seems to be significant economic opportunity with the increase in Great Lakes Cruise Ship visits and subsequent tourism services that will continue to grow. There should continue to be a reciprocal arrangement for transients to enter at the town dock and be referred to Big Sound Marina and vice versa to accommodate visitors seamlessly.

Moving the pump out service from the town dock to Big Sound Marina certainly makes sense to me.

Glad to read the careful thought that's going into this.

Hello,

Please note the following response to Request for Public Comment has been submitted at Thursday August 1st 2024 11:57 AM with reference number 2024-08-01-004.

- **Please provide feedback on the Review & Recommendations document.**

- Is The Town of Parry Sound endorsing private businesses? Why is a private business written into this document? In fairness to all tax paying businesses Downtown and in the Town of Parry Sound, this document should speak only to infrastructure to be managed, not private businesses that run on town property.
- Proposed Lease Agreement structure (figure 2) is supported apart from the inclusion of "Harbour Walk" and therefore should read Town of Parry Sound \*Big Sound Marina Operator \*Town Dock Operator (kiosk, washroom, bandshell)
- In the absence of the ability to collect levy on federal or municipally owned properties, the DBA Board is requesting consultation before next lease agreement is solidified to ensure fair representation of current tax paying businesses and potential future businesses
- Suggest - Town of Parry Sound rents out the kiosk inclusive of the washrooms and bandshell
- Suggest - Town could choose to rent out the property lining the town dock and should be treated as other town leased properties (market square, BOCC, Stockey etc). This makes it fair to the businesses paying property taxes and levy year-round.
- Ensure contracts promote a collaborative relationship with BSM Operator & Town Dock operator so all decisions are in the best interest of the public and rate payers
- Suggest linking Town Dock to Big Sound via fitness trail extension past MNR property
- Lease agreement must have public interest and public access forefront
- Lease agreement to set boundaries to provide best public experience, not competing businesses side by side.
- BSM should not be sold
- Suggest zoning bylaws to stipulate a maximum number of transient docks at all times to eliminate loophole of allowable rentals back-to-back, consecutive weeks
- Return dockage to the Town Dock. Per TOP Strategic Plan, "to

enhance the experience of visiting the downtown". Suggest timed boat parking; these could be managed through by-law as with all other parking in the Downtown

- Current shoppers' docks remain – restructure allowable usage to compliment Town Dock boat parking and BSM docking
- Suggest not allowing "Harbour Shops" to return past current 2025 lease agreement. The only returning occupant is the current lease holder with boat tours. Interest in this trial appears to be declining with only 3 occupied to date and 1 owned by the Town for information

- **Please provide feedback on the Review & Recommendations document.**

We are local seasonal slip holders at Big Sound. We love George and will be sad to see him go. After his departure, we would like to see things run privately, with experienced staff and practical hours of operation. Running it as close to how it's run now would be preferred! While we understand tourism is important, I hope the locals don't get forgotten in the Towns attempts at making the most money possible. We would also be very upset to learn we may be at risk of losing our slip contract with Big Sound, so I hope that is not a possibility we need to worry about.

- **Please provide feedback on the Review & Recommendations document.**

My only concern is that by going with a corporate manager situation, local voters may be priced out of being able to use the town marina. It would be very unfortunate if community members were unable to access the marina due to increased prices.

The Corporation of the Town of Parry Sound

## **Council Report and Recommendation**

### **Open Council Agenda Aug 13, 2024**

#### **Subject:**

Status of Town Dock for Cruise Ship Docking

#### **TOMRMS File Number:**

R05

#### **Spokesperson(s) Name, Title, Department**

Dave Thompson, Director of Development and Protective Services

#### **Purpose of Report:**

To provide Council with an update of the status of the Town Dock for Cruise Ship Docking

#### **Resolution 2024**

That Council receive the report on the *Status of Town Dock for Cruise Ship Docking* for information purposes.

#### **Relationship to Strategic Plan:**

Core Service?      Yes

New Service, Project or Program? No

Identify the Relationship to Council's Strategic Plan: n/a

## **Background:**

Council requested a status update be brought to the August 13, 2024 meeting with regards to the progress of confirming the Pearl Mist ability to dock at the Town Dock.

Communication with Pearl Mist principles, Tatham Engineering, AECOM, VShips (technical consultant for PM) and Navitrans (logistic consultant for the PM) has been ongoing throughout the spring and summer to provide DFO with the required engineering solution to overcome the limitations placed on the Town Dock by DFO and AECOM through the March 2024 Condition report. Two issues needed to be addressed prior to allowing the Pearl Mist (or other cruise ships) to dock.

1. Alternate mooring methods must be prepared to not exceed certain pressure thresholds
2. Berthing methods must be defined that will not exceed certain pressure thresholds

The standard that must be met by Tatham and must be presented in the following manner as quoted from DFO;

*DFO would require a letter (or other documentation) sealed by a professional engineer certifying that the berthing load was less than 200kN. The letter must detail the berthing procedures (including approach angle, speed, and weight of the ship) and fendering system. The Pearl Mist would then need to follow any berthing procedures and/or recommendations provided in the letter.*

A summary of milestone communications are listed below;

- May 13 - staff request to DFO to allow AECOM to review alternate tiedowns
- May 27 - DFO response that AECOM will not act for the Town in this issue
- May 30 - staff engage Tatham engineering to attempt to find solutions
- June 6 - Tatham attempt to engage Pearl Mist in engineering resolution
- Mid June - Tatham identifying that mooring issues can be overcome using different tie off locations

- Mid July - Tatham determined berthing loads very difficult to achieve. Decision to attempt to engage AECOM in alternate solutions
- July 26 - DFO confirmed they will encourage AECOM to work on alternatives with Tatham
- Aug 1 - Tatham confirming AECOM collaborating with alternative assessments for berthing loads
- Aug 5 - Navitrans provides on board fendering specifications

Tatham is hoping that conceptual alternatives can be developed during the week of Aug 6-9 for berthing forces. Tatham and AECOM are collaborating on solutions. Upon any agreement from AECOM on alternatives, Tatham will still have to develop procedures that will meet AECOM and DFO acceptance. Prior to implementation, the Pearl Mist will need to agree that they can meet any procedures that are developed by Tatham and approved by AECOM / DFO.

**Advantages and/or Disadvantages of Staff Recommendation: n/a**

**Alternatives:**

The engineers are working collaboratively to develop alternatives that can be acceptable for Pearl Mist docking.

**Cost/Financial Impact:**

Currently approximately \$10,000 has been expended.

**Included in Current Budget: no**

**Attachments:**

**Director Approval DT; Date: August 6, 2024**

**CAO Recommendation for Council Approval:**

Yes

The Corporation of the Town of Parry Sound

## **Council Report and Recommendation**

### **Open Council Agenda August 13, 2024**

#### **Subject**

Consent Application (B24-06) – 28 Hall's Quarry Road

#### **TOMRMS File Number**

#### **Spokesperson(s) Name, Title, Department**

Jeremy Rand, Manager of Planning, Development & Protective Services

#### **Purpose of Report**

Recommend approval of the proposed consent application to create one severed and one retained lot from the subject lands located at 28 Hall's Quarry Road.

#### **Resolution 2024 –**

That Council hereby approves Consent Application B24-16 at 28 Hall's Quarry Road to create one severed lot and one retained lot on the subject lands subject to conditions of consent as outlined in Schedule A attached. (See Attachment #2)

#### **Identify Relationship to Strategic Priorities**

Core Service - Yes

New Service, Project or Program - No

Identify the Relationship to Council's Strategic Plan – N/A

#### **Background**

##### **Site and Background**

The subject lands are located at 28 Hall's Quarry Road.

The subject lands are 13.15 hectares in area with approximately 227.3 metres of frontage on Hall's Quarry Road, a municipally maintained roadway and approximately 125.0 metres of frontage on Parton Road, a privately maintained roadway.

The lands contain Hall's Quarry as well as a Campground and Marina.

Staff would note that there is no additional development proposed through this application. Any expansion of the existing campground and marina would require a zoning amendment and site plan agreement.

### **Proposal**

The consent application was submitted in order to separate the existing quarry operation from the remainder of the subject lands.

The proposed severed lands contain the existing quarry operation and are 4.4 hectares in area with 134.5 metres of frontage on Hall's Quarry Road and 125.1 metres of frontage on Parton Road.

The resultant retained lands contain an existing campground and marina and are proposed to be 8.75 hectares in area with 92.8 metres of frontage on Hall's Quarry Road.

Comments received by Bell Canada indicate that they will require a transfer easement over the subject lands in order to protect an existing infrastructure. Bell Canada is requesting a blanked easement of a 3.0 metre wide corridor at the expense of the property owner. Staff have included this as a condition of consent and in order for this condition to be met, confirmation from Bell Canada will be required.

Staff have been in contact with the Ministry of Natural Resources and Forestry regarding the severance with respect to the existing licensed aggregate operation. It was noted that the proposed severed lot boundary is in line with the approved Aggregate Resources Act license and staff therefore have no concerns in this regard.

## **Provincial Policy Statement (PPS)**

The 2020 Provincial Policy Statement (PPS) provides policy direction on matters of provincial interest related to land use planning and development. All land use planning decisions are required to be consistent with the PPS.

The proposed application was submitted in order to separate existing uses and no additional development rights would be granted as a result of the severance. Staff are therefore of the opinion that the approval of the application is consistent with the Provincial Policy Statement.

## **Official Plan**

The severed lands are designated Highway/Service Commercial in part, Rural Residential in part, and Industrial in part.

Section 3.2.5 of the Official Plan outlines policies related to the Highway/Service Commercial designation and states that this designation applies to limited areas as shown on Schedule 'A' that because of the location and accessibility are most suited to service and tourist oriented commercial uses relying on vehicular traffic for most of their business.

Section 3.7 of the Official Plan outlines policies related to the Rural Residential destination and states that this designation includes agricultural uses, single detached dwellings on separate lots and local commercial uses.

Section 6.10 of the Official Plan outlines policies related to mineral aggregates and states that the Town lacks the type of geological characteristics which would provide any significant sand and gravel extraction operation, however, a limited use stone quarry exists in the location shown on Schedule 'C'. The existing quarry, Mill Lake Stone Quarry, is recognized.

Staff have been in contact with the Ministry of Natural Resources and Forestry and have determined that the proposed severed lot would include all those lands included in the area of the property that is under license by the Aggregate Resources Act.

Section 8.5.2 of the Official Plan outlines policies related to lot creation by consent and states that new lots for any permitted use may be created by consent provided:

- a) it has been determined that a plan of subdivision is not required for the proper and orderly development of the land;
- b) the intent and purpose of the official plan and zoning by-law are maintained; and
- c) there is no extension of municipal services required, unless addressed through a development agreement.

Section 8.7 of the Official Plan states that lands that are not being used in conformity with the policies of this Plan may be placed in a zoning category that results in a legal non-conforming status of these uses. Alternatively, these uses may be placed in an appropriate zoning classification so long as the spirit and intent of this Plan are maintained. It should be noted that the severed and retained lands contain separate zoning and that the proposed lot configurations generally line up with the zone boundaries.

The proposed severance was submitted in order to separate the existing quarry and campground uses into separate ownership. The proposed severance would not result in additional development rights. Staff are therefore of the opinion that the application meets the general intent of the Town of Parry Sound Official Plan.

### **Zoning By-law**

The severed lands are zoned Special Provision 26.05 (MX).

The retained lands are zoned Rural (RU) in part, Tourist Commercial (C4) in part, Environmental Protection (EP) in part and Rural Residential (RR) in part.

Special Provision 26.05 states that despite the provisions of this By-law, a stone quarry together with all ancillary and accessory uses and structures normally associated with a stone quarry, may be permitted on part of Lots 24 and 25, Concession III, being part of

Part 1, 42R-6564, known locally as 8 Quarry Road, provided that all other provisions of the Mineral Extraction (MX) zone are met.

The proposed severed lands are under a licensed quarry under the Aggregate Resources Act.

The proposed retained lands contain an existing legal non-complying campground and marina. It should be noted that any expansion or additional development on the retained lands would require a zoning amendment along with a site plan agreement.

The proposed severance was submitted in order to separate existing uses. The separation of existing uses would not result in increased development rights on the subject lands and staff are of the opinion that the proposal meets the general intent of the Zoning By-law 2004-4653.

### **Recommended Conditions of Approval (B24-16)**

Staff recommends approval of the application subject to the following conditions:

1. That a registrable description of the severed lands be submitted to the Secretary-Treasurer along with a registered copy of the reference plan;
2. That a complete set of digital drawing files of the reference plan in PDF format be provided to the Town;
3. That the applicant submit to the Secretary-Treasurer: a draft copy of the Transfer/Deed with separate Schedule providing the property description (along with all rights-of-way) for stamping and signing with the Committee's consent; or a complete property description for the purposes of issuing a Certificate;
4. That all Municipal taxes to date be paid in full; and
5. That all Township fees and disbursements (as applicable) be paid in full.
6. That the applicant obtain a blanket easement in favour of Bell Canada over the lands or a 3.0 metre wide corridor to be measured 1.5 metres on either side of the existing aerial cable, then to extend from the pole to a minimum of 1.0 metre

past any anchor installation to be measured 0.5 metres on either side of the guy, as can be accommodated to the satisfaction of Bell Canada.

7. That the applicant obtain an updated entrance permit with the Ministry of Transportation for both the severed and retained lands.

### **Interdepartmental Circulation**

Comments received by the Building Department indicate that discrepancies exist with the information in the application form and what the Town has on file. Additional structures should be shown and further confirmed that the new lot line will provide for compliance setbacks from buildings. The water service location is not accurately shown on the applicant sketch. There was an easement noted in the application form that is not provided on the original survey and linework may need revision.

Since the comments above from the Building Department were received, staff have been on the subject lands and determined that buildings setbacks would not need to be recognized. It was further noted that the information on file with respect to the number and locations of buildings, structures and campsites is not up to date. There are currently efforts underway to bring the lands into conformity with applicable by-laws. The existing easement noted in the application needs to be confirmed by the applicant.

Staff have confirmed that the existing water line on site is wholly located on the retained lands and would not service the severed lands.

Comments received by the Fire Chief, the Wastewater Department and Finance Department indicate no concerns.

### **External Agency Circulation**

Comments received by Bell Canada indicate that there is an existing aerial infrastructure on the subject lands that requires an easement. Staff have included a condition of the consent approval that the applicant confirm an easement to protect the existing aerial facilities to the satisfaction of Bell Canada.

Comments received by the Ministry of Transportation indicate that confirmation of access for the lots would need to be provided to the Ministry of Transportation and an updated entrance permit be obtained.

Comments received by Hydro One indicate no concerns at this time.

**Advantages and/or Disadvantages of Recommendation: N/A**

**Alternatives:**

1. Council can deny the application to permit the new lot creation.
2. Council can defer the applications for additional information.

**Cost/Financial Impact: N/A**

**Included in Current Budget: N/A**

**Attachments**

Attachment 1 - Proposed Consent Sketch

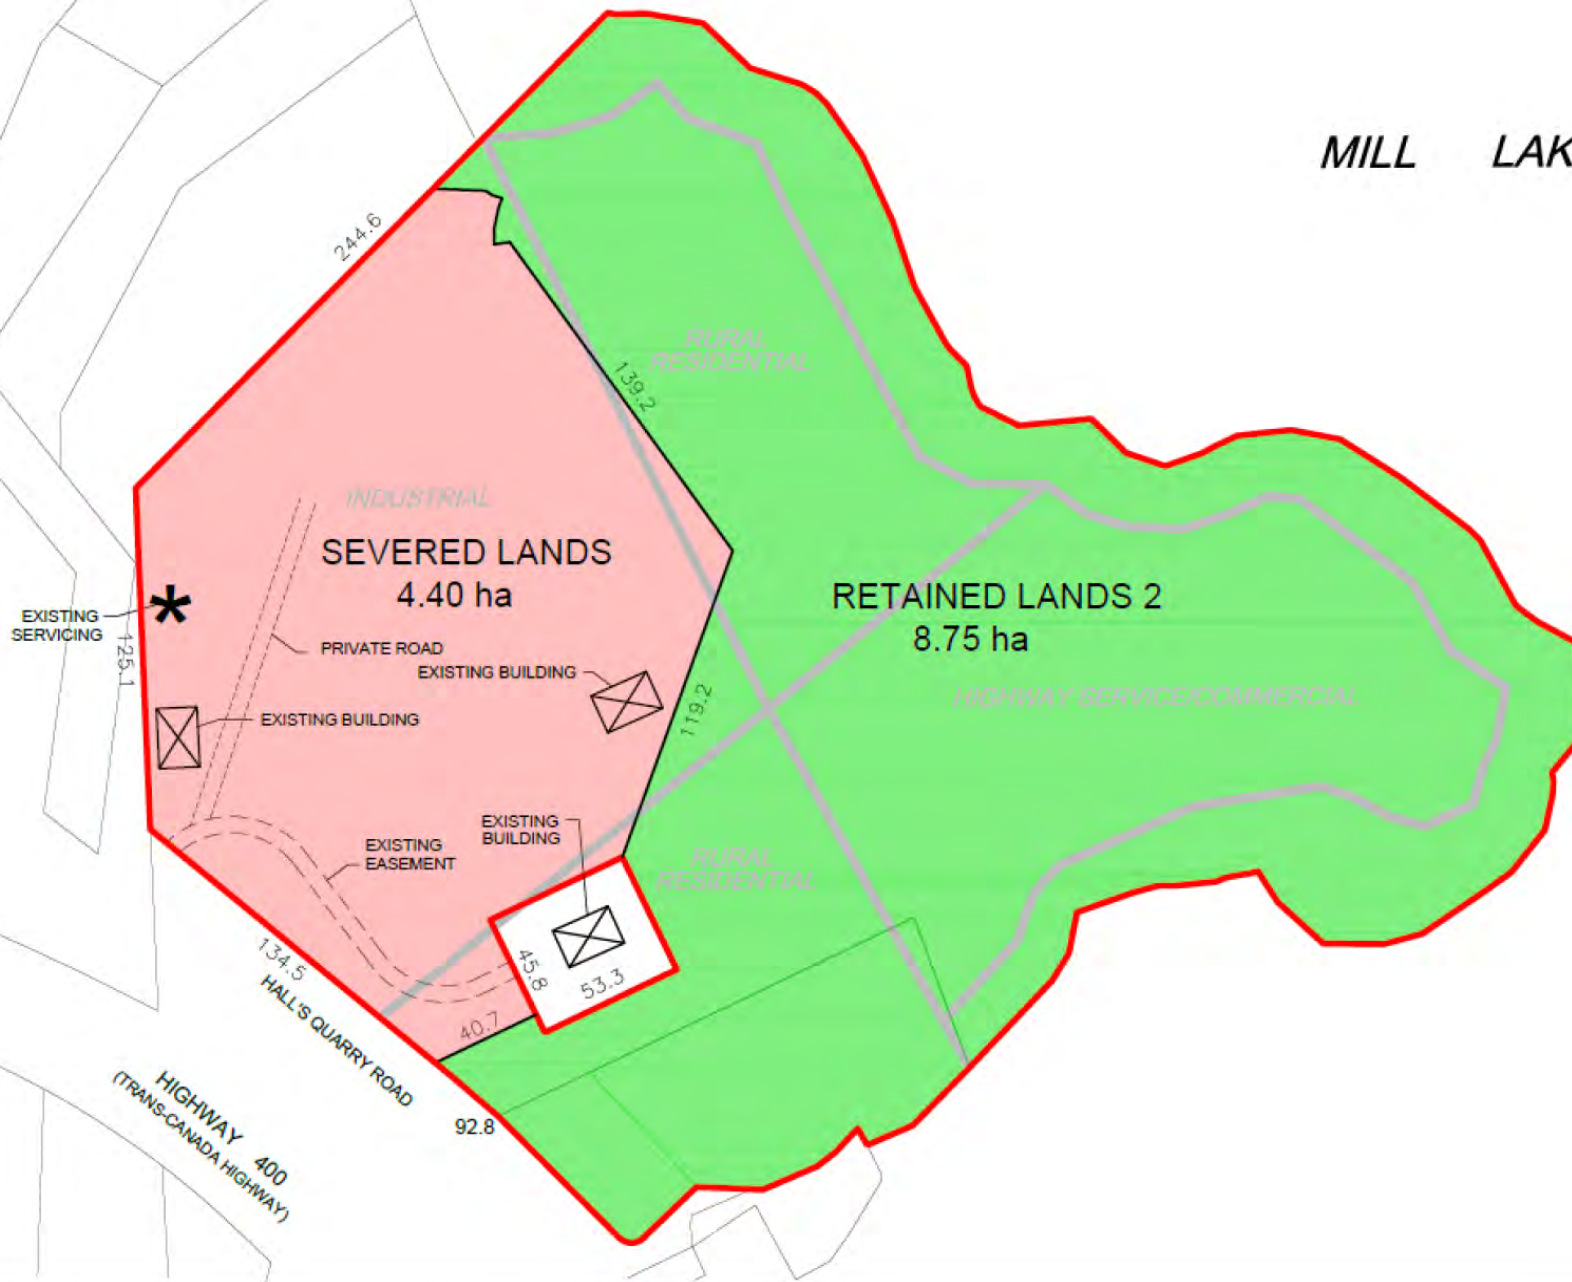

Attachment 2 – Conditions of Consent

**Director Approval: DT; Date: August 9, 2024**

**CAO Recommendation for Council Approval:**

Yes

MILL LAKE

### **Recommended Conditions of Approval (B24-16)**

Staff recommends approval of the application subject to the following conditions:

1. That a registrable description of the severed lands be submitted to the Secretary-Treasurer along with a registered copy of the reference plan;
2. That a complete set of digital drawing files of the reference plan in PDF format be provided to the Town;
3. That the applicant submit to the Secretary-Treasurer: a draft copy of the Transfer/Deed with separate Schedule providing the property description (along with all rights-of-way) for stamping and signing with the Committee's consent; or a complete property description for the purposes of issuing a Certificate;
4. That all Municipal taxes to date be paid in full; and
5. That all Township fees and disbursements (as applicable) be paid in full.
6. That the applicant obtain a blanket easement in favour of Bell Canada over the lands or a 3.0 metre wide corridor to be measured 1.5 metres on either side of the existing aerial cable, then to extend from the pole to a minimum of 1.0 metre past any anchor installation to be measured 0.5 metres on either side of the guy, as can be accommodated to the satisfaction of Bell Canada.
7. That the applicant obtain an updated entrance permit with the Ministry of Transportation for both the severed and retained lands.

The Corporation of the Town of Parry Sound

## **Council Report and Recommendation**

### **Open Council Agenda August 13, 2024**

#### **Subject:**

2024 International Sport Heritage Conference, Boston, Massachusetts

#### **TOMRMS File Number:**

R05

#### **Spokesperson(s) Name, Title, Department**

Nicole Mullen, Manager, Charles W. Stockey Centre

#### **Purpose of Report:**

To approve the attendance of Caitlin Dyer, Nicole Mullen and Sadie Couroux at the 2024 International Sports Heritage Association Conference in Boston, Massachusetts, from September 17 to the 19, 2024.

#### **Resolution 2024**

WHEREAS Schedule C.5.e) of By-law 2024-7429 requires Council approval for staff to attend out of province conferences,

NOW THEREFORE Council authorizes BOHF Curator Caitlin Dyer and Stockey Centre Manager Nicole Mullen to attend the 2024 International Sports Heritage Association Conference in Boston, September 17 to September 19, 2024; and

THAT conditional upon conference funding secured to cover the full costs of one participant, Council authorizes Sadie Couroux, Sponsorship and Fundraising Coordinator to also attend said conference.

## **Relationship to Strategic Plan:**

Core Service? Yes, continuous improvement

New Service, Project or Program? No

Identify the Relationship to Council's Strategic Plan: Organizational Excellence

## **Background:**

The International Sports Heritage Association (ISHA) is a non-profit membership organization incorporated in 1971 to assist sport museums and halls of fame to develop, operate and promote their facilities in the best way possible. ISHA includes more than 130 members from countries such as Greece, Switzerland, Singapore, Australia, Canada, and the United States. The Bobby Orr Hall of Fame has been a member of ISHA for more than 17 years. Staff attended the 2022 ISHA Conference in Green Bay, Wisconsin and previous conferences in California, Calgary, Denver, Oakville, Cincinnati, and Baltimore. Attendees are afforded the rare opportunity to network with other sport museum managers and staff as well as attend seminars and sessions that relate directly to the operations at the Bobby Orr Hall of Fame.

In 2020, Bobby Orr Hall of Fame Curator Caitlin Dyer was elected to the Board of Directors for the International Sports Heritage Association and is currently the organization's Treasurer as well as a member of the Executive Committee. This role places the Bobby Orr Hall of Fame as a leader in the sport heritage industry. Caitlin is slated to move into the Second Vice President position at the Annual General Meeting, held during the conference. The ISHA conference provides an invaluable opportunity to network and engage with organizations facing the same challenges and discuss the issues and possible solutions.

Staff have submitted a conference grant to ISHA for full reimbursement of all conference fees for Sponsorship and Fundraising Coordinator, Sadie Couroux, to attend the conference as well. The grant is geared toward young professionals entering the Sport Heritage Industry, and with Sadie's move from a one-year internship to a new 12-month contract with additional roles and responsibilities, she has shown an interest in

this industry through her experience with the Bobby Orr Hall of Fame. Should funding be secured to cover the full costs of one participant, Sadie Couroux will attend the conference as well. The funding decision is expected near the end of August or beginning of September. Should funding not be received, Sadie will not attend the conference as budget only allows for two staff to attend. Although the budget covers the conference fee and accommodations, staff members will be responsible for their travel expenses. The staff recognize the significant benefits to attending the conference and are willing to make personal investments in covering their travel costs.

### **Advantages and/or Disadvantages of Staff Recommendation:**

- opportunity to connect with other 'like' businesses and counterparts at an international level and stay abreast of current trends
- continues to build value in the membership
- continued placement of Bobby Orr Hall of Fame in a leadership role with respect to sports heritage industry
- opportunity to gain valuable insights into how sports heritage museums successfully operate and programs offered with their inductees

### **Alternatives:**

- Decline the request

### **Cost/Financial Impact:**

Accommodations: \$1485.00

Conference Registration:  $\$400 \times 2 = \$800.00$

**Included in Current Budget: Yes**

**Attachments: N/A**

**Director Approval N/A ; Date: N/A**

**CAO Recommendation for Council Approval:**

Yes

## **Background:**

The Municipal Assistance Program (M.A.P.), is a grant program for not-for profit and economic development related agencies, those offering leisure services/programming and economic development support.

In 2023, the budget for the M.A.P. was \$14,000 and \$10,030 was allocated out. \$3,970 remains unallocated.

The maximum rental cost is estimated at \$2,000 for the event at full occupancy. A quote was provided as per Attachment 2. The tentative date being held is Friday, April 25, 2025.

## **Advantages and/or Disadvantages of Staff Recommendation:**

- Supports mental health and wellness, suicide awareness and prevention, youth mental health, and mental health and wellness education

## **Alternatives:**

1. Waive Fees
2. Do not waive fees or provide a sponsorship/donation

## **Cost/Financial Impact:**

Estimated rental rates: Between \$1,227 and \$1,980

## **Included in Current Budget: Yes**

## **Attachments:**

Attachment 1: Letter Request to Mayor & Council -Sound Youth Counselling and The Doc Rob Fund

Attachment 2: Maximum Rental Quote from Charles W. Stockey Centre for Friday night keynote speaker event

**Director Approval SP; Date: August 6, 2024**

**CAO Recommendation for Council Approval: Yes**

The Corporation of the Town of Parry Sound

## **Council Report and Recommendation**

### **Open Council Agenda August 13, 2024**

#### **Subject:**

Request from Dent Bay Bakery to Locate Ice Cream Cart on various Town Owned Properties.

#### **TOMRMS File Number:**

T09 - Licenses

#### **Spokesperson(s)**

Author: Rob Beaumont, Manager of Revenue & Taxation

Spokespersons: Dave Thompson, Director, Development & Protective Services

Allison Kreuger, By-law Enforcement Officer

#### **Purpose of Report:**

To seek Council's approval to have a refreshment vehicle (ice cream cart) to be located on Town owned properties

#### **Resolution 2024**

That Council for the Corporation of the Town of Parry Sound hereby grants permission to Mr. Sean Solwski to operate Dent Bay Scoops ice cream cart from August 14, 2024, to September 30, 2024 at the following locations:

1. Old Town Beach at the end of Waubuno Road
2. Market Square Park
3. Top of the Tony Agnello Water Treatment Plant
4. Charles W. Stockey Centre

5. 1 Avenue Road (Old CPR Station/ Festival of the Sound office.)

subject to the following conditions:

1. That garbage receptacles be provided by Mr. Solwski and removed at the end of day at his expense.
2. That a site plan be submitted for each property showing the proposed location of the refreshment vehicle (ice cream cart) to the Town's Licensing Officer or Manager of Revenue & Taxation for approval.
3. That the hours of operation shall be from 11:00 am until 8:00 pm from Monday to Sunday.
4. In the case of Market Square Park, if a scheduled event is planned, permission must be granted from the event's organizer to locate there during the event.
5. Must receive owners' written consent to locate and sell on private property and a copy of the letter must be submitted to the Town's Licensing Officer.
6. Must receive permission from the Festival of the Sound
7. That all other requirements under By-law 2006-4921 Schedule I must be met.

### **Relationship to Strategic Plan:**

Core Service? Yes

New Service, Project or Program? No

Identify the Relationship to Council's Strategic Plan: No

### **Background:**

Under the Town's Licensing By-law, any person wishing to conduct business on municipally owned lands or highways must receive permission from council prior to conducting business.

A request has been received from Sean Solwski of Dent Bay Baking Company to operate their refreshment vehicle (ice cream cart) at various Town owned property locations. What Mr. Solwski would be selling from his cart is scooped ice cream in cups

or cones, ice cream sandwiches with their house made cookies, sundaes with their house made butter tarts, and scones.

Mr. Solwski has a business license in place for the refreshment vehicle (ice cream cart) at his location at 4 River Street. Locating at other locations would not require any further licensing just permission from the property owner whether it is municipal or private.

Some locations Mr. Solwski was suggesting were Waubuno Beach, Town Dock, 1 Avenue Road (the old CPR station) and the Bobby Orr Community Centre.

Comments from staff indicate it would be recommended not to allow Mr. Solwski to locate his cart at either the Town Dock or Waubuno due to conflicts with other vendors in those areas.

The Bobby Orr Community Center is closed during the summer and would not generate a great deal of traffic to support the operation of their cart there.

Festival of the Sound has a long-term lease with the Town and uses 1 Avenue Road as their administration office. This is not a high traffic area and if permitted to operate at this location, Mr. Solwski would require permission from the Festival.

Other locations have been suggested to Mr. Solwski. The Old Town Beach, top of the water treatment plant, Market Square or the Stockey Centre.

The Old Town Beach is still a high traffic area. The beach sees a lot of users and the sailing school is located at the old high dive area.

Mr. Solwski is already part of the Tuesday markets which happen every Tuesday during the summer months at Market Square. Giving him the option to locate at Market Square during times other than Tuesdays would be another alternative. It would be recommended that he not be allowed to locate there when rental events are taking place without permission from the events organizer.

The top of the water treatment plant could also be a location. Located right along the fitness trail, this would give walkers and bikers a chance to purchase something to cool themselves down.

This year the Stockey Centre is not selling any ice cream products. It could be another location for Mr. Solwski's cart. This is busy area during the summer months with the visitors to the Stockey Centre, the traffic from the fitness trail and Big Sound Marina would provide exposure. Being a fair distance from the Town Dock, this location should not be in conflict with those vendors.

**Advantages and/or Disadvantages of Staff Recommendation:**

Staff would not recommend Mr. Solwski's ice cream cart be located at the Town Dock or Waubuno Beach due to conflicts with other vendors.

Staff can support the other locations presented.

**Alternatives:**

Not to allow Mr. Solwski to operate on Town of properties other than 4 River Street.

**Cost/Financial Impact: N/A**

**Included in Current Budget: N/A**

**Attachments:**

**Director Approval SP; Date: 08/06/2024**

**CAO Recommendation for Council Approval:**

Yes

The Corporation of the Town of Parry Sound

## **Council Report and Recommendation**

### **Open Council Agenda August 13, 2024**

#### **Subject:**

2024 Veolia Ultrafiltration Users Group Conference

#### **TOMRMS File Number:**

H12 - Training & Development

#### **Spokesperson(s) Name, Title, Department**

Mike Kearns, Director of Public Works

#### **Purpose of Report:**

To approve attendance at an out of province conference.

#### **Resolution 2024**

That Council authorizes the Manager of Water Systems to attend the Veolia 2024 Ultrafiltration Users Group Conference to be held in Milwaukee, Wisconsin, September 22 - 24, 2024, pursuant to Schedule C, Section 5e of By-law 2024-7429, which requires prior Council approval for attendance at seminars, conferences and conventions outside the Province of Ontario.

#### **Relationship to Strategic Plan:**

Core Service? Yes

New Service, Project or Program? No

Identify the Relationship to Council's Strategic Plan:

**Background:**

This is an annual conference that targets senior operators and users of the ZeeWeed process, the same process used at our water treatment plant. Operators and experts from around the world attend this conference thus providing an excellent opportunity for staff to broaden their knowledge base as well as learn from shared experiences with other operators.

This year's conference takes place in Milwaukee, Wisconsin from September 22 through to September 24, 2024. The registration fee is \$325.00 USD. Each participant is responsible for their own transportation and accommodation and some meals. The total cost is estimated to be between \$3000 and \$3500 CDN.

**Advantages and/or Disadvantages of Staff Recommendation:**

- Excellent opportunity for the Manager of Water Systems to discuss challenges and examine solutions with other system managers and operators.
- Attending this conference is the most cost efficient opportunity to obtain focused membrane training and learn different options and methods to improve plant performance.

**Alternatives:**

Do not provide authorization.

**Cost/Financial Impact:**

Approximately \$3500

**Included in Current Budget:**

Yes - 08-448-1000-02187 (Water Systems - Admin - Conferences)

**Attachments:**

**Director Approval MK ; Date: August 7, 2024**

**CAO Recommendation for Council Approval:**

Yes

The Corporation of the Town of Parry Sound

## **Council Report and Recommendation**

### **Open Council Agenda August 13, 2024**

#### **Subject:**

Seguin Street Bridge Rehabilitation Tender

#### **TOMRMS File Number:**

F18 - Quotations & Tenders

#### **Spokesperson(s) Name, Title, Department**

Vinni Bonazza, Manager of Operations, Public Works

#### **Purpose of Report:**

To award the contract for the Seguin Street Bridge Rehabilitation Tender.

#### **Resolution 2024**

To accept the bid from KB Civil Constructors Inc. for the Seguin Street Bridge Rehabilitation tender in the amount of \$345,518.72, excluding taxes, this being the lowest compliant bid of three bids received.

#### **Relationship to Strategic Plan:**

Core Service? Yes

New Service, Project or Program? No

Identify the Relationship to Council's Strategic Plan: Quality of Life

#### **Background:**

Every two years, the Town is required to conduct engineering inspections of all bridges within the Town. The most recent inspection dated 2022 identified several deficiencies

at the Seguin Street bridge that should be addressed. Staff consulted with Tatham Engineering to identify the deficiencies through an extensive assessment and proposed remedial action. The top deficiencies identified were the deterioration of the sidewalk on various portions of the bridge and structural maintenance and timber repairs on the underside of the bridge. A portion of the aluminum top guard rail will also be replaced. The project was put to tender with three complete bids received. They are listed below (excluding taxes):

- KB Civil Constructors Inc.	\$345,518.72
- 2585284 Ontario Inc. o/a Beton	\$388,864.00
- HugoMB Contracting Inc.	\$466,550.00

Tatham Engineering reviewed the submissions and identified KB Civil Constructors Inc. to be a complete and satisfactory bid. Tatham Engineering also checked the references for KB Civil Constructors Inc. with no concerns.

Work is intended to begin after Labour Day weekend to avoid significant disruptions to traffic given the bridge is a high volume corridor for traffic flow.

**Advantages and/or Disadvantages of Staff Recommendation:**

- The repairs will address the deficiencies identified in the most recent engineering report
- Helps prolong the lifespan of the bridge and helps avoid major repairs in the future
- The submission comes in under what was budgeted for repairs

**Alternatives:**

- Do not accept the bid from KB Civil Constructors Inc. for the Seguin Street Bridge Rehabilitation.
- Accept a different contractor bid

**Cost/Financial Impact:**

\$345,518.72 (excluding taxes)

Bid from KB Civil Constructors Inc. comes in \$4,481.28 under budget (excluding taxes)

**Included in Current Budget:**

Yes - \$350,000 budgeted in 2024 capital budget for repairs (60105)

**Attachments:**

**Director Approval MK ; Date: August 7, 2024**

**CAO Recommendation for Council Approval:**

Yes

# THE VOICE OF NORTHERN BUSINESS

## Re: Request for Council Resolution: Support a Set-Aside for Northern Ontario within the OINP

On July 25<sup>th</sup>, 2024, over 40 organizations from across Northern Ontario came together to formally support an initiative to increase provincially led immigration to Northern Ontario communities. Northern Ontario Chambers of Commerce, Municipalities, Economic Development Agencies, Community Futures Development Corporations, Local Immigration Partnerships, Réseau du Nord, and more are working together to advocate for a Northern Ontario “set-aside” within the Ontario Immigrant Nominee Program (OINP).

**As the Government of Ontario has full authority to set the parameters and allocations for the OINP. We are requesting 3,000 nominations, annually, be specifically set aside for immigrants coming to Northern Ontario to fill labour shortages.** These 3,000 immigrants would help our communities maintain their current standard of living. Meaning there would be enough people to support vital services in our communities, pay taxes, and keep businesses open.

Currently, Northern Ontario is only receiving between 1-3% of all allocations through the OINP (approximately 100-200 nominees per year for the past 14 years). Meanwhile, the GTA receives approximately 90% of ALL immigration to Ontario. OINP has 21,500 total spots to allocate in 2024, up from 9,000 spots just three years ago. That means there is plenty of room to make a set-aside for Northern Ontario work without detracting from the GTA and other Ontario communities.

**We need your help ASAP.** To put pressure on the provincial government, **we are requesting your Council pass a resolution formally supporting a 3,000-nomination set-aside within the OINP for Northern Ontario communities.**

The allocation of these 3,000 spots would be spread among communities, ensuring that the benefits of immigration are extended beyond the largest cities in Northern Ontario. Importantly, the set-aside would **work alongside existing programs**, like the federal Rural and Northern Immigration Pilot (and future iterations of it). Also, in-need occupations would be identified specifically for Northern Ontario communities to help address our unique labour shortages.

The federal Rural and Northern Immigration Pilot has brought over 4,000 immigrants to Northern Ontario since its inception five years ago. Targeted, community-level immigration works for Northern Ontario. Help us keep the momentum going.

Definitions: A census metropolitan area (CMA) must have a total population of at least 100,000. A census agglomeration (CA) must have a core population of at least 10,000. Census divisions (CDs) are intermediate geographic areas between the province/territory level and the municipality.

Note: \*The Greater Sudbury CMA overlaps completely with the Greater Sudbury CD. Thus, for simplicity, all the allocations are included under the Greater Sudbury CMA.

\*\*Districts represent the CD population minus the CMA/CA population (if there is a CMA/CA present within the CD). This allows there to be a specific allotment for rural areas

Source: Author's calculations. Based on an allotment of 3,000 spots for Northern Ontario divided amongst regions based on population share. Data obtained from 2021 Census of the Population.

# THE VOICE OF NORTHERN BUSINESS

## Sample Motion

**WHEREAS** employers across Northern Ontario are experiencing a critical shortage of **skilled** workers, contributing to a shrinking labour market with an estimated 50,000 newcomers needed by 2041 to sustain current Northern Ontario population levels; and

**WHEREAS**, the labour shortage is causing significant economic hardship for Northern Ontario communities, including reduced productivity and business closures; and

**WHEREAS** population and migration trends to 2021 suggest that Northern Ontario needs **100,000 newcomers by 2041** to sustain current population; and

**WHEREAS** the success of the federal Rural and Northern Immigration Pilot (RNIP) demonstrates the effectiveness of allocating nomination spots to address regional labour shortages in attracting newcomers to Northern Ontario; and

**WHEREAS**, the Ontario Immigrant Nominee Program has been expanded from 9,750 nominees in 2022 to a goal of 21,500 nominees in 2024;

**NOW, THEREFORE, BE IT RESOLVED BY (town / city) COUNCIL (insert municipality name) to:**

**Urges the Government of Ontario to address the critical market shortage of skilled labour in Northern Ontario by allocating 3,000 Ontario Immigrant Nominee Program spots to support the region's economic growth and development.**

**BE IT FURTHER RESOLVED THAT:**

Copies of this resolution be forwarded to: the Ontario Minister of Labour, Immigration, Training & Skills Development; local Members of Provincial Parliament; the Federation of Northern Ontario Municipalities; and the Thunder Bay Chamber of Commerce

## **Background:**

Through the 2024 Budget Process both, the enhancement of treescape in downtown and the downtown decorative lighting costs were approved through the capital budget on February 13.

With a deadline of February 21, 2024, staff focused on submitting an application promptly and were successful as these projects fit within the guidelines.

An application was submitted for 30% of \$50,000 for the two projects. \$15,000 is receivable through the Rural Economic Development Program.

## **Advantages and/or Disadvantages of Staff Recommendation:**

- Supports the downtown business community, beautification and safety

## **Alternatives: N/A**

## **Cost/Financial Impact:**

\$15,000 is to be funded by the Rural Economic Development (RED) grant. The remaining project costs of \$35,000 will be funded by the Town of Parry Sound through parks reserve and property taxation per budget.

## **Included in Current Budget: Yes**

## **Attachments:**

Attachment #1 - Draft By-law

Attachment #2 - Schedule A to By-law (Agreement)

*(Accessible format available upon request)*

**Director Approval SP; Date: August 6, 2024**

**CAO Recommendation for Council Approval:**

Yes

**The Corporation of the Town of Parry Sound**

**By-law 2024 - 7440**

**Being a By-law to authorize the execution of an Agreement with the Minister of Agriculture, Food and Agribusiness regarding funding under the Rural Economic Development Program.**

Whereas Sections 8, 9 and 10 of the *Municipal Act, 2001, S.O. 2001, c.25* as amended, authorizes the Corporation of the Town of Parry Sound to enter into agreements; and

Whereas the Corporation of the Town of Parry Sound wishes to authorize the execution of a contribution agreement with the Minister of Agriculture, Food and Agribusiness under the Rural Economic Development Program for Downtown Parry Sound including decorative lighting costs, downtown trees costs including delivery, and lighting electrical installation fees.

**Now Therefore the Council of the Corporation of the Town of Parry Sound Enacts As Follows:**

1. That the Mayor and Clerk are hereby authorized and directed to execute on behalf of the Corporation the agreement, attached as Schedule A, with the Ministry of Agriculture, Food and Agribusiness for a contribution towards the Downtown Parry Sound trees and decorative lighting costs and installation; and
2. That this By-law shall come into force and take effect upon final passing thereof.

## RURAL ECONOMIC DEVELOPMENT PROGRAM

### AGREEMENT BETWEEN:

HIS MAJESTY THE KING IN RIGHT OF ONTARIO  
as represented by the Minister of Agriculture, Food and Agribusiness

(the "Province")

- and -

CORPORATION OF THE TOWN OF PARRY SOUND

CRA # 106984735

(the "Recipient")

In consideration of the mutual covenants and agreements contained in this agreement (the "Agreement") and for other good and valuable consideration, the receipt and sufficiency of which is expressly acknowledged, the Province and the Recipient (the "Parties") agree as follows:

#### 1.0 ENTIRE AGREEMENT

1.1 This Agreement, including:

Schedule "A" – General Terms and Conditions,  
Schedule "B" – Operational Requirements and Additional Provisions,  
Schedule "C" – Project Description,  
Schedule "D" – Financial Information,  
Schedule "E" – Payments and Reports,  
And any amending agreement entered into as provided below,

Constitutes the entire agreement between the Parties, with respect to the subject matter contained in this Agreement and supersedes all prior oral or written representation and agreements.

#### 2.0 COUNTERPARTS

2.1 This Agreement may only be executed in any number of counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.

2.2 The Parties accept that their respective electronic signatures, as defined in the *Electronic Commerce Act, 2000*, bind them to the terms and conditions of this Agreement.

#### 3.0 AMENDING AGREEMENT

3.1 This agreement may only be amended by a written agreement duly executed by the Parties.

#### 4.0 ACKNOWLEDGEMENT

4.1 The Recipient acknowledges and agrees:

- (a) (a) It has read and understands the provisions contained in the entire Agreement;
- (b) (a) It will be bound by the terms and conditions in the entire Agreement;
- (c) (a) By receiving and using the Funds provided under this Agreement that it may become subject to the *BPSAA*, the *PSSDA* and the *AGA*;
- (d) The Funds are:

- (i) (i) To assist the Recipient to carry out the Project and not to provide goods or services to the Province, and
- (ii) (i) Funding for the purposes of the *BPSAA* and the *PSSDA*;
- (e) (e) The Province is not responsible for managing or carrying out the Project; and
- (f) (e) The Province is bound by the *FIPPA* and that any information provided to the Province in connection with the Project or otherwise in connection with the Agreement may be subject to disclosure in accordance with the *FIPPA* or other applicable Requirements Of Law.

**IN WITNESS WHEREOF** the Parties have executed this Agreement on the dates set out below.

**HIS MAJESTY THE KING IN RIGHT OF ONTARIO,**  
as represented by the Minister of Agriculture, Food and Agribusiness

\_\_\_\_\_  
Name: Alan Crawley  
Title: Director, Rural Programs Branch

\_\_\_\_\_  
Date:

I have the authority to bind the Province pursuant to delegated authority.

**CORPORATION OF THE TOWN OF PARRY SOUND**

\_\_\_\_\_  
Name: Jamie McGarvey  
Title: Mayor

\_\_\_\_\_  
Date:

\_\_\_\_\_  
Name: Rebecca Johnson  
Title: Clerk

\_\_\_\_\_  
Date:

I have authority to bind the Recipient.

## SCHEDULE “A” GENERAL TERMS AND CONDITIONS

### ARTICLE 1 INTERPRETATION AND DEFINITIONS

**A.1.1 Interpretation.** For the purposes of interpreting the Agreement:

- (a) Unless specifically defined otherwise in this Agreement, words in the singular include the plural and vice versa;
- (b) Words in one gender include all genders;
- (c) The headings do not form part of this Agreement; they are for reference purposes only and will not affect the interpretation of the Agreement;
- (d) Any reference to dollars or currency will be in Canadian dollars and currency;
- (e) Any reference to a statute means a statute of the Province of Ontario, unless otherwise indicated;
- (f) Any reference to a statute is to that statute and to the regulations made pursuant to that statute as they may be amended from time to time and to any statute or regulations that may be passed that have the effect of supplanting or superseding that statute or regulation unless a provision of the Agreement provides otherwise; and
- (g) All accounting terms will be interpreted in accordance with the Generally Accepted Accounting Principles and all calculations will be made and all financial data to be submitted will be prepared in accordance with the Generally Accepted Accounting Principles.

**A.1.2 Definitions.** In the Agreement, the following terms will have the following meaning:

“**Additional Terms And Conditions**” means the additional terms and conditions specified in sections A.8.1 and B.2 of this Agreement.

“**AGA**” means the *Auditor General Act, 1990*

“**Agreement**” means this contract between the Province and the Recipient,

“**Arm’s Length**” has the same meaning as determined under the *Income Tax Act (Canada)* as it read on the Effective Date of this Agreement, and as treated or defined under Generally Accepted Accounting Principles.

“**BPSAA**” means the *Broader Public Sector Accountability Act, 2010*.

“**Budget**” means the budget attached to section D.2.2 of this Agreement.

“**Business Day**” means any working day, Monday to Friday inclusive, excluding statutory holidays of the Province and any other day on which the Province is not open for business.

“**Contract**” means an agreement between the Recipient and a third-party whereby the third-party agrees to provide a good or service for the Project in return for financial consideration that may be claimed by the Recipient as an Eligible Cost.

“**Cost-Share Funding Percentage**” means the percentage the Province will pay toward the Recipient’s Eligible Costs, as set out under section D.1.1 of this Agreement.

“**Effective Date**” means the date on which this Agreement is effective, as set out under section B.1.1 of this Agreement.

**“Eligible Costs”** means those costs set out under in the Guidelines and which the Province has approved as eligible for reimbursement under the terms of this Agreement and also includes any additional costs permitted under section D.2.1 of this Agreement.

**“Event of Default”** has the meaning ascribed to it in section A.13.1 of this Agreement.

**“Expiration Date”** means the date on which this Agreement will expire, as set out under section B.1.2 of this Agreement, unless amended or terminated prior to this date in accordance with the terms and conditions of this Agreement.

**“FAA”** means the *Financial Administration Act*.

**“Failure”** means a failure to comply with any term, condition, obligation under any other agreement that the Recipient has with His Majesty the King in Right of Ontario or one of His agencies.

**“Final Report”** means a final Report on the Project in the form set out in section E.2 of this Agreement.

**“FIPPA”** means the *Ontario Freedom of Information and Protection of Privacy Act*.

**“Funding Year”** means:

- (a) In the case of the first Funding Year, the period commencing on the Effective Date and ending on the following March 31, the Expiration Date, or the termination of this Agreement, whichever comes first; and;
- (b) In the case of Funding Years subsequent to the first Funding Year, the period commencing on April 1 following the end of the previous Funding Year and ending on the following March 31, the Expiration Date, or the termination of this Agreement, whichever comes first.

**“Funds”** means the money the Province provides to the Recipient pursuant to this Agreement.

**“Guidelines”** means the documents of the Province setting out the criteria governing the operation of the Program, that were made available on the Program website, at the time the Recipient applied for funding from the Program

**“Holdback”** means the amount set out under section D.1.3 of this Agreement.

**“Incurred”** in relation to costs, means a cost that a Recipient has become liable for, regardless whether actual payment has occurred.

**“Indemnified Parties”** means His Majesty the King in Right of Ontario, His Ministers, agents, appointees and employees.

**“Ineligible Costs”** means those costs set out in the Guidelines as ineligible for reimbursement by the Province and includes any additional costs identified as ineligible under section D.2.3 of this Agreement.

**“Maximum Funds”** means the maximum amount of Funds that the Province will provide to the Recipient under this Agreement, as set out under section D.1.2 of this Agreement.

**“Minister”** means the Minister of Agriculture, Food and Agribusiness or such other Minister who may be designated from time to time as the responsible Minister in relation to the Program in accordance with the *Executive Council Act*, R.S.O. 1990, c. E. 25, as amended.

**“MFIPPA”** means the *Municipal Freedom of Information and Protection of Privacy Act*.

**“Notice”** means any communication given or required to be given pursuant to this Agreement.

**“Notice Period”** means the period of time within which the Recipient is required to remedy an Event of Default and includes any such period or periods of time by which the Province considers it reasonable to extend that time.

**“Parties”** means the Province and the Recipient.

**“Party”** means either the Province or the Recipient, unless the context implies otherwise.

“**Program**” means the program created by the Province entitled Rural Economic Development Program under *Order-in-Council 201/2011*, as amended.

“**Project**” means the undertaking described in Schedule “C” of this Agreement.

“**Project Completion Date**” means the date that the Recipient must complete its Project under this Agreement, as set out in section B.1.3 of Schedule “B” of this Agreement.

“**PSSDA**” means the *Public Sector Salary Disclosure Act, 1996*.

“**Reports**” means the reports set out under Schedule “E” of this Agreement.

“**Requirements of Law**” means all applicable statutes, regulations, by-laws, ordinances, codes, official plans, rules, approvals, permits, licenses, authorizations, orders, decrees, injunctions, directions and agreements with all authorities that now or at any time hereafter may relate to the Recipient, the Project, the Funds and this Agreement. Without limiting the generality of the foregoing, if the Recipient is subject to the *BPSAA*, the *PSSDA* or any other type of broader public sector accountability legislative provisions, those broader public sector accountability legislative provisions are deemed to be a Requirement of Law.

“**Term**” means the period of time beginning on the Effective Date of this Agreement and ending on the Expiration Date or the termination of this Agreement, whichever is shorter.

“**Timelines**” means the Project schedule set out in Schedule “B”.

**A.1.3 Conflict.** Subject to section 8.1 of Schedule “A” of this Agreement, in the event of a conflict between this Schedule “A” of the Agreement and any other Schedule of this Agreement, the terms and conditions set out under this Schedule “A” of the Agreement will prevail.

## ARTICLE A.2 REPRESENTATIONS, WARRANTIES AND COVENANTS

**A.2.1 General.** The Recipient represents, warrants and covenants that:

- (a) It is, and will continue to be for the Term of this Agreement, an eligible applicant as described in the Guidelines with full power to fulfill its obligations under this Agreement;
- (b) It has, and will continue to have for the Term of this Agreement, the experience and expertise necessary to carry out the Project;
- (c) It has the financial resources necessary to carry out the Project and is not indebted to any person(s) to the extent that that indebtedness would undermine the Recipient’s ability to complete the Project by the Project Completion Date;
- (d) It is in compliance with all Requirements of Law and will remain in compliance with all Requirements of Law for the Term related to any aspect of the Project, the Funds or both for the term of this Agreement; and
- (e) Unless otherwise provided for in this Agreement, any information the Recipient provided to the Province in support of its request for Funds, including any information relating to any eligibility requirements, was true and complete at the time the Recipient provided it.

**A.2.2 Execution of Agreement.** The Recipient represents and warrants that it has:

- (a) The full power and authority to enter into this Agreement; and
- (b) Taken all necessary actions to authorize the execution of this Agreement.

**A.2.3 Governance.** The Recipient represents, warrants and covenants that it has, and will maintain, in writing, for the term of this Agreement:

- (a) A code of conduct and ethical responsibilities for all persons at all levels of the Recipient's organization;
- (b) Procedures to ensure the ongoing effective functioning of the Recipient;
- (c) Procedures to enable the Recipient to manage the Funds prudently and effectively;
- (d) Procedures to enable the Recipient to successfully complete the Project;
- (e) Procedures to enable the Recipient to, in a timely manner, identify risks to the completion of the Project and develop strategies to address those risks;
- (f) Procedures to enable the preparation and delivery of all Reports required under this Agreement; and
- (g) Procedures to enable the Recipient to deal with such other matters as the Recipient considers necessary to ensure that the Recipient carries out its obligations under this Agreement.

**A.2.4 Supporting Documentation.** Upon request, and within the time period indicated in the Notice, the Recipient will provide the Province with proof of the matters referred to in this Article 2 of Schedule "A" of this Agreement.

**A.2.5 Additional Covenants.** The Recipient undertakes to advise the Province within five (5) Business Days of:

- (a) Any changes that affect its representations, warranties and covenants under sections A.2.1, A.2.2 or A.2.3 of this Agreement during the Term of the Agreement;
- (b) Any actions, suits or other proceedings which could or would reasonably prevent the Recipient from complying with the terms and conditions of this Agreement; and
- (c) Any change in ownership or ownership structure.

### ARTICLE A.3 FUNDS AND CARRYING OUT THE PROJECT

**A.3.1 Funds Provided.** The Province will:

- (a) Provide Funds to the Recipient up to the Maximum Funds, based on the Cost-Share Funding Percentage, for the sole purpose of carrying out the Project;
- (b) Provide the Funds to the Recipient in accordance with section D.2 of this Agreement provided that the Recipient makes claims for payment of Funds in accordance with section E.1 of this Agreement;
- (c) Provide funding as long as the total combined amount of provincial and federal assistance for the Eligible Costs actually incurred and paid by the Recipient do not exceed ninety per cent (90%) of those costs; and
- (d) Deposit the Funds into an account designated by the Recipient, provided that account:
  - (i) Resides at a Canadian financial institution, and
  - (ii) Is in the name of the Recipient.

**A.3.2 Limitation On Payment Of Funds.** Despite section A.3.1 of this Agreement:

- (a) The Province is not obligated to provide any Funds to the Recipient until the Recipient provides the insurance certificate or other proof as the Province may request pursuant to section A.10.2 of this Agreement;

- (b) The Province is not obligated to provide any Funds until it is satisfied with the progress of the Project;
- (c) The Province may adjust the amount of Funds it provides to the Recipient without liability, penalty or costs in any Funding Year based upon the Province's assessment of the information provided by the Recipient pursuant to Article A.6 of this Agreement;
- (d) If, pursuant to the *FAA*, the Province does not receive the necessary appropriation from the Ontario Legislature for payment under this Agreement, the Province is not obligated to make any such payment, and, as a consequence, the Province may:
  - (i) Reduce the amount of Funds and, in consultation with the Recipient, change the Project without liability, penalty or costs; or
  - (ii) Recover Funds already paid to the Recipient; or
  - (iii) Terminate the Agreement pursuant to section A.12.1 of this Agreement;
- (e) The Province shall impose a Holdback on any payment of Funds and will not be obligated to pay that Holdback to the Recipient until after the Province approves the Recipient's Final Report pursuant to Article A.6 of this Agreement; and
- (f) The Province is not obligated to pay interest on the Holdback as described in (e) or any other payments under this Agreement.

**A.3.3 Use Of Funds And Project.** The Recipient will:

- (a) Carry out the Project in accordance with the terms and conditions of this Agreement;
- (b) Complete the Project by the Project Completion Date;
- (c) Not use the Funds for Ineligible Costs;
- (d) Use the Funds only:
  - (i) For Eligible Costs that are necessary for the purposes of carrying out the Project; and
  - (ii) For those activities set out in section C.3. of this Agreement; and
- (e) Use the Funds only in accordance with the Budget, including any sub-limits set out therein.

**A.3.4 Province's Role Limited To Providing Funds.** For greater clarity, the Province's role under this Agreement is strictly limited to providing Funds to the Recipient for the purposes of the Project and the Province is not responsible for carrying out the Project. Without limiting the generality of the foregoing, the fact that the Province may conduct reviews and/or audits of the Project as provided for in this Agreement or issues directions, approves changes to the Project or imposes conditions upon an approval in accordance with the terms and conditions of this Agreement will not be construed by the Recipient as the Province having a management, decision-making or advisory role in relation to the Project. The Recipient further agrees that the Recipient will not seek to include the Province as a decision-maker, advisor or manager of the Project through recourse to a third party, court, tribunal or arbitrator.

**A.3.5 No Changes.** The Recipient will not make any changes to the Project, including to the Budget or timelines, without the prior written consent of the Province.

**A.3.6 No Payment of Funds until Eligible Expenses are approved.** The Province will provide the Funds to the Recipient for Eligible Costs upon receipt of proof of the expense and according to the Budget only. The Province shall not advance any of the Funds to the Recipient.

**A.3.7 No Provincial Payment Of Interest.** The Province is not required to pay interest on any Funds under this Agreement. For greater clarity, this includes interest on any Funds that the Province has withheld paying to the Recipient.

**A.3.8 Maximum Funds.** The Recipient acknowledges and agrees that the Funds available to it pursuant to this Agreement will not exceed the Maximum Funds.

**A.3.9 Rebates, Credits And Refunds.** The Recipient acknowledges and agrees that the amount of Funds available to it pursuant to this Agreement and the Program is based on the actual costs to the Recipient, less any costs for which the Recipient has received, will receive or is eligible to receive, a rebate, credit or refund, including but not limited to tax rebates, credits or refunds. The Recipient further acknowledges and accepts that it is not entitled to those same costs, taxes, rebates, credits or refunds under this Agreement or the Program in whole or in part.

**A.3.10 Funding, Not Procurement.** The funding the Province is providing under this Agreement is funding for the purposes of the PSSDA.

#### ARTICLE A.4

#### RECIPIENT'S ACQUISITION OF GOODS AND SERVICES AND DISPOSAL OF ASSETS

**A.4.1 Acquisition.** If the Recipient acquires goods or services or both with the Funds, it will:

- (a) Do so through a process that is transparent, fair and promotes the best value for the money expended and at competitive prices that are no greater than fair market value after deducting trade discounts and/or any other discounts available to the Recipient; and
- (b) Comply with any Requirements of Law that may be applicable to how the Recipient acquires any goods or services or both.

**A.4.2 Contracts.** The Recipient will ensure that all Contracts:

- (a) Are consistent with this Agreement;
- (b) Do not conflict with this Agreement;
- (c) Incorporate the relevant provisions of this Agreement to the fullest extent possible;
- (d) Require that any parties to those Contracts comply with all Requirements of Law; and
- (e) Authorize the Province to perform audits of the parties to those Contracts in relation to the Project as the Province sees fit in connection with Article A.6 of this Agreement .

**A.4.3 Disposal.** The Recipient:

- (a) Will, where Ontario's contribution to the cost of an asset created or purchased using the Funds, exceeds twenty-five thousand dollars (\$25,000.00) at the time of purchase or creation of the asset, retain ownership of the asset for at least two (2) years from the Expiration Date of this Agreement; unless otherwise provided under this Agreement or directed by the Province in writing; and
- (b) Will not, without the Province's prior written consent, lease or otherwise encumber assets referred to under section A.4.3(a) for at least two (2) years from the Expiration Date of this Agreement unless otherwise provided under this Agreement or as the Province directs in writing.

In the event the Recipient does not comply with section A.4.3 of this Agreement, the Province may recover the Funds provided to the Recipient for the assets referred to under section A.4.3.

## ARTICLE A.5 CONFLICT OF INTEREST

- A.5.1 *No Conflict Of Interest.*** The Recipient will carry out the Project and use the Funds without an actual, potential or perceived conflict of interest.
- A.5.2 *Conflict Of Interest Includes.*** For the purposes of this Article, a conflict of interest includes any circumstances where:
- (a) The Recipient; or
  - (b) Any person who has the capacity to influence the Recipient's decisions, has outside commitments, relationships or financial interests that could, or could be seen to, interfere with the Recipient's objective, unbiased and impartial judgment relating to the Project, the use of the Funds or both.
- A.5.3 *Disclosure To The Province:*** The Recipient will:
- (a) Disclose to the Province, without delay, any situation that a reasonable person would interpret as an actual, potential or perceived conflict of interest; and
  - (b) Comply with any terms and conditions that the Province may impose as a result of the disclosure.

## ARTICLE A.6 REPORTING, ACCOUNTING AND REVIEW

- A.6.1 *Preparation And Submission.*** The Recipient will:
- (a) Provide any information that is requested by the Province as the Province directs and within the timeline set out in the direction;
  - (b) Submit to the Province (at the address referred to in section B.1.4 of this Agreement) all Reports in accordance with the timelines and content requirements set out in Schedule "E", or in a form as specified by the Province from time to time and ensure that all reports are:
    - (i) Completed to the satisfaction of the Province; and
    - (ii) Signed on behalf of the Recipient by an authorized signing officer and that the accompanying attestation has been completed.
- A.6.2 *Records Maintenance.*** The Recipient will keep and maintain:
- (a) All financial records, including invoices, relating to the Funds or otherwise to the Project in a manner consistent with generally acceptable accounting principles; and
  - (b) All non-financial documents and records relating to the Funds or otherwise to the Project.
- A.6.3 *Inspection.*** The Province, its authorized representatives or an independent auditor identified by the Province may, at their own expense, upon twenty-four (24) hours' Notice to the Recipient during normal business hours, enter upon the Recipient's premises to review the progress of the Project and the Recipient's allocation and expenditure of the Funds and, for these purposes, the Province, its authorized representatives or an independent auditor identified by the Province may take one or more of the following actions:
- (a) Inspect and copy the records and documents referred to in section A.6.2 of this Agreement;
  - (b) Remove any copies made pursuant to section A.6.3(a) of this Agreement from the Recipient's premises; and

- (c) Conduct an audit or investigation of the Recipient in respect of the expenditure of the Funds, the Project or both.

**A.6.4 Disclosure.** To assist in respect of the rights set out under section A.6.3 of Schedule “A” of this Agreement, the Recipient will disclose any information requested by the Province, its authorized representatives or an independent auditor identified by the Province and will do so in the form requested by the Province, its authorized representatives or an independent auditor identified by the Province, as the case may be.

**A.6.5 No Control Of Records.** No provision of this Agreement will be construed so as to give the Province any control whatsoever over the Recipient’s records.

**A.6.6 Auditor General.** For greater certainty, the Province’s rights to audit under this Article 6 of the Agreement are in addition to any rights provided to the Auditor General.

## **ARTICLE A.7 COMMUNICATIONS**

**A.7.1 Acknowledgement And Support.** Unless otherwise directed by the Province, the Recipient will:

- (a) submit all Project-related external or public facing publications, whether intended for written, oral or visual communications and including social media publications, to the Province’s contact set out in section B.1.4 for approval at least ten (10) Business Days prior to their intended publication date;
- (b) acknowledge the support of the Province in the form and manner set out under section B.1.5 of this Agreement or as otherwise directed; and
- (c) indicate in all of its Project-related publications – whether written, oral or visual – that any views expressed therein are the views of the Recipient and do not necessarily reflect those of the Province.

The Recipient’s internal Project-related communications, such as reports from municipal staff to council, are not subject to the requirements in paragraphs A.7.1 (a), (b) and (c).

**A.7.2 Publication By The Province.** The Recipient agrees that the Province may, in addition to any obligations the Province may have under FIPPA, publicly release information under this Agreement, including the Agreement itself, in hard copy or in electronic form, on the internet or otherwise.

## **ARTICLE A.8 ADDITIONAL TERMS AND CONDITIONS**

**A.8.1 Additional Terms And Conditions.** The Recipient will comply with any Additional Terms and Conditions set out under section B.2 of this Agreement. In the event of a conflict or inconsistency between any of the requirements of the Additional Terms and Conditions and any requirements of this Schedule “A” of the Agreement, the Additional Terms and Conditions will prevail.

## **ARTICLE A.9 INDEMNITY**

- A.9.1 Indemnification.** The Recipient hereby agrees to indemnify and hold harmless the Indemnified Parties from and against any and all direct or indirect liability, loss, costs, damages and expenses (including legal, expert and consultant fees), causes of action, actions, claims, demands, lawsuits or other proceedings, by whomever made, sustained, incurred, brought or prosecuted, in any way arising out of or in connection with the Project or otherwise in connection with this Agreement, unless solely caused by the gross negligence or willful misconduct of the Province.
- A.9.2 Recipient's Participation.** The Recipient will, at its expense, to the extent requested by the Province, participate in or conduct the defence of any proceeding against any Indemnified Parties and any negotiations for their settlement.
- A.9.3 Province's Election.** The Province may elect to participate in or conduct the defence of any proceeding by providing Notice to the Recipient of such election without prejudice to any other rights or remedies of the Province under this Agreement, at law or in equity. Each Party participating in the defence will do so by actively participating with the other's counsel.
- A.9.4 Settlement Authority.** The Recipient will not enter into a settlement of any proceeding against any Indemnified Parties unless the Recipient has obtained the prior written approval of the Province. If the Recipient is requested by the Province to participate in or conduct the defence of any proceeding, the Province, as the case may be, will co-operate with and assist the Recipient to the fullest extent possible in the proceeding and any related settlement negotiations.
- A.9.5 Recipient's Co-operation.** If the Province conducts the defence of any proceedings, the Recipient will co-operate with and assist the Province, as the case may be, to the fullest extent possible in the proceedings and any related settlement negotiations.

## **ARTICLE A.10 INSURANCE**

- A.10.1 Recipient's Insurance.** The Recipient represents and warrants that it has, and will maintain for the Term of this Agreement, at its own cost and expense, with insurers having a secure A.M. Best rating of B+ or greater, or the equivalent, all necessary and appropriate insurance that a prudent person carrying out a project similar to the Project would maintain, including commercial general liability insurance on an occurrence basis for third party bodily injury, personal injury and property damage, to an inclusive limit of not less than two million dollars (\$2,000,000.00) per occurrence. The policy will include the following:
- (a) A cross-liability clause;
  - (b) Contractual liability coverage;
  - (c) A thirty (30) day written notice of cancellation or termination provision.
- A.10.2 Proof Of Insurance.** Upon request of the Province, the Recipient will provide
- (i) Certificates of insurance that confirm the insurance coverage required under section A10.1 of this Schedule "A" is in place within the time limit set out in the request, or
  - (ii) Other proof that confirms the insurance coverage required under section A10.1 of this Schedule "A" is in place within the time limit set out in that request.

## ARTICLE A.11 TERMINATION ON NOTICE

**A.11.1 Termination On Notice.** The Province may terminate the Agreement at any time without liability, penalty or costs upon giving at least thirty (30) days' Notice to the Recipient.

**A.11.2 Consequences Of Termination On Notice By The Province.** If the Province terminates this Agreement pursuant to section A.11.1 of this Agreement, the Province may take one or more of the following actions:

- (a) Direct that the Recipient does not incur any costs for the Project that are Eligible Costs under this Agreement without the Province's prior written consent;
- (b) Cancel any further payments of the Funds;
- (c) Demand the repayment of any Funds remaining in the possession or under the control of the Recipient; and
- (d) Determine the reasonable costs for the Recipient to wind down the Project, and do either or both of the following:
  - (i) Permit the Recipient to offset such costs against the amount owing pursuant to section A.12.2(b) of this Agreement; and
  - (ii) Subject to section A.3.8 of this Agreement, provide Funds to the Recipient to cover such costs.

## ARTICLE A.12 TERMINATION WHERE NO APPROPRIATION

**A.12.1 Termination Where No Appropriation.** If, as provided for in sections A.3.2(d) of this Agreement, the Province does not receive the necessary appropriation from the Ontario Legislature for any payment the Province is to make pursuant to this Agreement, the Province may terminate the Agreement immediately without liability, penalty or costs by giving Notice to the Recipient.

**A.12.2 Consequences Of Termination Where No Appropriation.** If the Province terminates this Agreement pursuant to section A.12.1 of this Agreement, the Province may take one or more of the following actions:

- (a) Cancel any further payments of the Funds;
- (b) Demand the repayment of any Funds remaining in the possession or under the control of the Recipient; and
- (c) Determine the reasonable costs for the Recipient to wind down the Project and permit the Recipient to offset such costs against the amount owing pursuant to section A.12.2(b) of this Agreement.

**A.12.3 No Additional Funds.** For greater clarity, if the costs determined pursuant to section A.12.2(c) of this Agreement exceed the Funds remaining in the possession or under the control of the Recipient, the Province will not provide additional Funds to the Recipient.

## ARTICLE A.13 EVENT OF DEFAULT, CORRECTIVE ACTION AND TERMINATION FOR DEFAULT

**A.13.1 Events Of Default.** Each of the following events will constitute an Event of Default:

- (a) In the opinion of the Province, the Recipient breaches any representation, warranty, covenant or other term of the Agreement, including failing to do any of the following in accordance with the terms and conditions of this Agreement:
  - (i) Carry out the Project;
  - (ii) Use or spend the Funds;
  - (iii) Provide, in accordance with section A.6.1, Reports or any such other reports as may have been requested pursuant to section A.6.1(b), under this Agreement; or
  - (iv) The Recipient fails to follow any directions that the Province provides under this Agreement.
- (b) The Recipient's operations, or its organizational structure, changes such that it no longer meets one or more of the eligibility requirements of the Program under which the Province provides the Funds;
- (c) The Recipient makes an assignment, proposal, compromise, or arrangement for the benefit of creditors, or a creditor makes an application or an order adjudging the Recipient bankrupt, or applies for the appointment of a receiver; or
- (d) The Recipient ceases to operate.

**A.13.2 Consequences Of Events Of Default And Corrective Action.** If an Event of Default occurs, the Province may, at any time, take one or more of the following actions:

- (a) Initiate any action the Province considers necessary in order to facilitate the successful continuation or completion of the Project;
- (b) Provide the Recipient with an opportunity to remedy the Event of Default;
- (c) Suspend the payment of Funds for such a period as the Province determines appropriate;
- (d) Reduce the amount of Funds by an amount the Province determines is appropriate, acting reasonably;
- (e) Cancel any further payments of the Funds;
- (f) Demand the repayment of any Funds remaining in the possession or under the control of the Recipient;
- (g) Demand the repayment of an amount equal to any Funds the Recipient used, but did not use in accordance with the terms and conditions of this Agreement;
- (h) Demand the repayment of an amount equal to any Funds the Province provided to the Recipient, even though the Project is partially completed; and
- (i) Terminate this Agreement at any time, including immediately, without liability, penalty or costs to the Province upon giving Notice to the Recipient.

**A.13.3 Opportunity To Remedy.** If, in accordance with section A.13.2(b) of this Agreement, the Province provides the Recipient with an opportunity to remedy the Event of Default, the Province will provide Notice to the Recipient of:

- (a) The particulars of the Event of Default; and
- (b) The Notice Period.

**A.13.4 Recipient Not Remediating.** If the Province has provided the Recipient with an opportunity to remedy the Event of Default pursuant to section A.13.2(b) and A.13.3 of this Agreement, and;

- (a) The Recipient does not remedy the Event of Default within the Notice Period;

- (b) It becomes apparent to the Province that the Recipient cannot completely remedy the Event of Default within the Notice Period; or
- (c) The Recipient is not proceeding to remedy the Event of Default in a way that is satisfactory to the Province;

the Province may extend the Notice Period or initiate any one or more of the actions provided for in sections A.13.2(a), (c), (d), (e), (f), (g), (h) and (i) of this Agreement.

**A.13.5 *When Termination Effective.*** Termination under Article A.13 of this Agreement will take effect as set out in the Notice.

#### **ARTICLE A.14 LIMITED TERMINATION OF AGREEMENT**

**A.14.1 *Limited Termination Of Agreement.*** Without limiting the Province's rights under this Agreement, if the Province exercises its right of termination pursuant to Articles A.11, A.12 or A.13 of this Agreement, the Province may limit such termination to one or more activities set out under Article C.3 of this Agreement without terminating this Agreement as a whole.

**A.14.2 *Impact Of Limited Termination Of The Agreement.*** If the Province exercises its right under section A.14.1 of this Agreement, the Province will adjust the Funds being provided under this Agreement to account for the limited termination and the remainder of the Agreement not terminated will remain in effect.

#### **ARTICLE A.15 FUNDS AT THE END OF A FUNDING YEAR**

**A.15.1 *Funds At The End Of A Funding Year.*** Without limiting any rights of the Province under Article A.13 of this Agreement, if the Recipient has not spent all of the Funds allocated for the Funding Year as provided for in the Budget, the Province may, at its sole and absolute discretion, adjust the amount of any further payments of Funds accordingly.

#### **ARTICLE A.16 REPAYMENT**

**A.16.1 *Repayment Of Overpayment.*** If at any time during the Term of this Agreement the Province provides Funds in excess of the amount to which the Recipient is eligible to receive under this Agreement, the Province may:

- (a) Deduct an amount equal to the excess Funds from any further payments of the Funds; or
- (b) Demand that the Recipient pay an amount equal to the excess Funds to the Province.

**A.16.2 *Interest Rate.*** The Province may charge the Recipient interest on any money owing by the Recipient at the then current interest rate charged by the Province of Ontario on accounts receivable.

**A.16.3 *Payment Of Money To Province.*** The Recipient will pay any money owing to the Province by cheque payable to the "Ontario Minister of Finance" and delivered to the Province at the address referred to in section B.1.4 of this Agreement.

**A.16.4 Repayment.** Without limiting the application of section 43 of the *FAA*, if the Recipient fails to repay any amount owing under this Agreement, His Majesty the King in Right of Ontario may deduct any unpaid amount from any money payable to the Recipient by His Majesty the King in Right of Ontario.

**A.16.5 Funds Are Part Of A Social Or Economic Program.** The Recipient acknowledges and agrees that any Funds provided under this Agreement are for the administration of social or economic programs or the provision of direct or indirect support to members of the public in connection with social or economic policy.

#### **ARTICLE A.17 NOTICE**

**A.17.1 Notice In Writing And Addressed.** Notice will be in writing and will be delivered by email, postage-paid mail or personal delivery and will be addressed to the Province and the Recipient respectively as set out in section B.1.6 of this Agreement or as either Party later designates to the other by Notice.

**A.17.2 Notice Given.** Notice will be deemed to have been given:

- (a) In the case of postage-paid mail, five (5) Business Days after the Notice is mailed; or
- (b) In the case of email or personal delivery, one (1) Business Day after the Notice is delivered.

**A.17.3 Postal Disruption.** Despite section A.17.2(a) of this Agreement, in the event of a postal disruption,

- (a) Notice by postage-prepaid mail will not be deemed to be received; and
- (b) The Party giving Notice will provide Notice by email or personal delivery.

#### **ARTICLE A.18 CONSENT BY PROVINCE AND COMPLIANCE BY RECIPIENT**

**A.18.1 Consent.** When the Province provides its consent pursuant to this Agreement, that consent will not be considered valid unless that consent is in writing and the person providing that consent indicates in the consent that that person has the specific authority to provide that consent. The Province may also impose any terms and conditions on such consent and the Recipient will comply with such terms and conditions.

#### **ARTICLE A.19 SEVERABILITY OF PROVISIONS**

**A.19.1 Invalidity Or Unenforceability Of Any Provision.** The invalidity or unenforceability of any provision in this Agreement will not affect the validity or enforceability of any other provision of this Agreement. Any invalid or unenforceable provision will be deemed to be severed.

#### **ARTICLE A.20 WAIVER**

**A.20.1 Waivers In Writing.** If a Party fails to comply with any term or condition of this Agreement that Party may only rely on a waiver of the other Party if the other Party has provided a written waiver in accordance with the Notice provisions in Article A.17 of this Agreement. Any waiver must refer to a specific failure to comply and will not have the effect of waiving any subsequent failures to comply. For greater clarity, where the Province chooses to waive a term or condition of this Agreement, such waiver will only be binding if provided by a person who indicates in writing that he or she has the specific authority to provide such a waiver.

#### **ARTICLE A.21 INDEPENDENT PARTIES**

**A.21.1 Parties Independent.** The Recipient acknowledges and agrees that it is not an agent, joint venturer, partner or employee of the Province and the Recipient will not represent itself in any way that might be taken by a reasonable person to suggest that it is or take any actions that could establish or imply such a relationship.

#### **ARTICLE A.22 ASSIGNMENT OF AGREEMENT OR FUNDS**

**A.22.1 No Assignment.** The Recipient will not, without the prior written consent of the Province, assign any of its rights or obligations under this Agreement.

**A.22.2 Agreement Binding.** All rights and obligations contained in this Agreement will extend to and be binding on the Parties' respective heirs, executors, administrators, successors and permitted assigns.

#### **ARTICLE A.23 GOVERNING LAW**

**A.23.1 Governing Law.** This Agreement and the rights, obligations and relations of the Parties will be governed by and construed in accordance with the laws of the Province of Ontario and the applicable federal laws of Canada. Any actions or proceedings arising in connection with this Agreement will be conducted in the Courts of Ontario, which will have exclusive jurisdiction over such proceedings.

#### **ARTICLE A.24 FURTHER ASSURANCES**

**A.24.1 Agreement Into Effect.** The Recipient will provide such further assurances as the Province may request from time to time with respect to any matter to which the Agreement pertains and will otherwise do or cause to be done all acts or things necessary to implement and carry into effect the terms and conditions of this Agreement to their full extent.

#### **ARTICLE A.25 JOINT AND SEVERAL LIABILITY**

**A.25.1 Joint And Several Liability.** Where the Recipient comprises more than one entity, all such entities will be jointly and severally liable to the Province for the fulfillment of the obligations of the Recipient under this Agreement.

#### **ARTICLE A.26 RIGHTS AND REMEDIES CUMULATIVE**

**A.26.1 *Rights And Remedies Cumulative.*** The rights and remedies of the Province under this Agreement are cumulative and are in addition to, and not in substitution of, any of its rights and remedies provided by law or in equity.

## **ARTICLE A.27 JOINT AUTHORSHIP**

**A.27.1 *Joint Authorship Of Agreement.*** The Parties will be considered joint authors of this Agreement and no provision herein will be interpreted against one Party by the other Party because of authorship. No Party will seek to avoid a provision herein because of its authorship through recourse to a third party, court, tribunal or arbitrator.

## **ARTICLE A.28 FAILURE TO COMPLY WITH OTHER AGREEMENT**

**A.28.1 *Other Agreements.*** If the Recipient:

- (a) Has committed a Failure;
- (b) Has been provided with notice of such Failure in accordance with the requirements of such other agreement;
- (c) Has, if applicable, failed to rectify such Failure in accordance with the requirements of such other agreement; and
- (d) Such Failure is continuing,

the Province may suspend the payment of Funds under this Agreement without liability, penalty or costs for such period as the Province determines appropriate.

## **ARTICLE A.29 SURVIVAL**

**A.29.1 *Survival.*** The provisions of this Agreement that by their nature survive the expiration or early termination of this Agreement will so survive for a period of seven (7) years from the date of expiry or termination. Without limiting the generality of the foregoing, the following Articles and sections, and all applicable cross-referenced sections and schedules will continue in full force and effect for a period of seven (7) years from the date of expiry or termination: Articles A.1 and any other applicable definitions, A.9, A.16, A.17, A.19, A.20, A.23, A.24, A.26, A.27, and A.28 as well as sections A.3.2, A.3.4, A.3.8, A.3.9, A.6.1 (to the extent that the Recipient has not provided the Reports to the satisfaction of the Province), A.6.2, A.6.3, A.6.4, A.6.5, A.6.6, A.11.2, A.12.2, A.13.1, A.13.2, A.13.4 of this Agreement and any cross-referenced Schedules therein as well as any other provision in this Agreement that specifically sets out it will survive the expiration or early termination of this Agreement. Despite the above, section A.4.3 of this Agreement shall survive for a period of two (2) years from the date of expiry or termination of this Agreement.

**[REST OF PAGE INTENTIONALLY LEFT BLANK - SCHEDULE "B" FOLLOWS]**

## SCHEDULE “B” OPERATIONAL REQUIREMENTS AND ADDITIONAL TERMS AND CONDITIONS

### ARTICLE B.1 OPERATIONAL REQUIREMENTS

**B.1.1 Effective Date.** The Effective Date of this Agreement is: **April 1, 2024**

**B.1.2 Expiration Date.** The Expiration Date of this Agreement is: **November 30, 2025**

**B.1.3 Project Completion Date.** The Project Completion Date is: **November 30, 2024**

The Project Completion Date may be extended once at the request of the Recipient by up to six (6) months, provided that:

- (a) The proposed extended date is at least 6 months prior to the Expiration Date
- (b) The request is made in writing to the address in section B.1.6 of this Agreement; and
- (c) The request is approved by the Province in writing.

Extensions of the Project Completion Date not being at least 6 months prior to the Expiration Date will require a written amendment to this Agreement duly executed by the Parties.

**B.1.4 Submission Of Reports and Publications For Approval.** All Reports and Project-related publications requiring approval under this Agreement shall be submitted to:

**Name:** Ontario Ministry of Agriculture, Food and Agribusiness

**Address:** Rural Programs Branch  
4th Floor NW, 1 Stone Road West  
Guelph, Ontario N1G 4Y2

**Attention:** Agriculture and Rural Programs Unit

**Email:** RED@ontario.ca

or any other person identified by the Province in writing.

**B.1.5 Recognition Of Provincial Support:** In addition to the requirements under section A.7.1 of this Agreement, the Recipient will acknowledge the Province’s support for the Project in the following manner: “The project is funded in part by the Ontario Ministry of Agriculture, Food and Agribusiness”.

**B.1.6 Providing Notice.** All Notices under this Agreement shall be provided to:

	<b>The Province:</b>	<b>The Recipient:</b>
<b>Name:</b>	Ontario Ministry of Agriculture, Food and Agribusiness	CORPORATION OF THE TOWN OF PARRY SOUND
<b>Address:</b>	Rural Programs Branch 4th Floor NW, 1 Stone Road West Guelph, Ontario N1G 4Y2	52 Seguin Street Parry Sound, Ontario P2A 1B4
<b>Attention:</b>	Director, Rural Programs Branch	Stephanie Phillips, Director of Finance
<b>Email:</b>	RED@ontario.ca	sphillips@townofparrysound.com

or any other person identified by the Parties in writing through a Notice.

## **ARTICLE B.2 ADDITIONAL TERMS AND CONDITIONS**

### **B.2.1 Notice Of Recipient's Insolvency.** The Recipient will:

- (a) Provide the Province with Notice in writing to the address in section B.1.6 of this Agreement at least ten (10) Business Days prior to making an assignment, proposal, compromise or arrangement for the benefit of its creditors and will not incur any additional costs for the Project under this Agreement without the Province's prior written consent from the date the Notice is sent to the Province; and
- (b) Provide the Province with Notice in writing to the address in section B.1.6 of this Agreement within ten (10) Business Days of a creditor providing the Recipient with a notice of an intent to enforce security or applying for an order adjudging the Recipient bankrupt or the appointment of a receiver, and will not incur any additional costs under this Agreement without the prior approval of the Province from the date that the Recipient received notice of the creditor's action.

### **B.2.2 Funding Dependent Upon Province Satisfying Any Duty To Consult Obligations.** The Recipient accepts that the provision of any Funds under this Agreement is strictly conditional upon the Province satisfying any obligations it may have to consult with and, if appropriate, accommodate Aboriginal peoples where decisions or actions regarding the Project may adversely impact established or asserted Aboriginal or treaty rights. Aboriginal peoples are First Nations and Métis communities that have Aboriginal or treaty rights under section 35 of the *Constitution Act, 1982*.

### **B.2.3 Effect Of Termination Of Agreement.** The Recipient accepts that the Province may, without any liability, penalty or cost, terminate this Agreement in accordance with section A11.1 of Schedule "A" in the event that the Province determines that it is unable to satisfy any obligations it may have to consult with and, if appropriate, accommodate any Aboriginal peoples whose established or asserted Aboriginal or treaty rights may be adversely impacted by the Project. Where the Province terminates this Agreement pursuant to this section, the Province will have the rights set out under section A11.2 of Schedule "A".

### **B.2.4 Delegation.** The Province may delegate to the Recipient any procedural aspect of any consultation obligations it may have with Aboriginal peoples having established or asserted Aboriginal or treaty rights who may be adversely impacted by the Project. If delegated, the Recipient will accept the delegation.

### **B.2.5 Recipient's Obligations Regarding Consultations.** The Recipient will:

- (a) Undertake consultations on behalf of the Province with Aboriginal peoples whose asserted or established Aboriginal or treaty rights may be adversely impacted by the Project;

- (b) Take directions from the Province in relation to the procedural aspects of consulting with Aboriginal peoples, including prospectively suspending, altering or terminating the Project. The procedural aspects may include providing information regarding the Project to First Nations and Métis communities and gathering information about the impact of the Project on asserted or established Aboriginal or treaty rights; and
- (c) Provide a detailed account of all actions it undertook in relation to the consultations with Aboriginal peoples, including copies of all correspondence with them.

**[REST OF PAGE INTENTIONALLY LEFT BLANK - SCHEDULE "C" - PROJECT DESCRIPTION  
FOLLOWS]**

## SCHEDULE "C" PROJECT DESCRIPTION

**C.1 PROJECT NAME**

Decorative Lighting and tree renewal in the Downtown

**C.2 PROJECT STREAM**

Strategic Economic Infrastructure

**C.3 PROJECT OBJECTIVE**

The Recipient will purchase and install decorative lighting and trees to encourage more pedestrian traffic and increasing tourism to the downtown core.

<b>PROJECT ACTIVITIES ELIGIBLE FOR FUNDING INCLUDE</b>
1) Purchase and install decorative lighting in downtown Parry Sound
2) Purchase and plant trees downtown in downtown Parry Sound

**C.4 Ineligible Project Activities**

Any activity that is not set out under section C.3 is an ineligible activity.

All activities identified above will be completed by the Project Completion Date identified under section B.1.3 of this Agreement.

**[REST OF PAGE INTENTIONALLY LEFT BLANK - SCHEDULE "D" - PROJECT FINANCIAL  
INFORMATION FOLLOWS]**

## SCHEDULE "D"

### PROJECT FINANCIAL INFORMATION

#### ARTICLE D.1 FUNDING INFORMATION

- D.1.1 Cost-Share Funding Percentage.** The Cost-Share Funding Percentage is thirty per cent (30.00%) of incurred paid Eligible Costs up to the Maximum Funds.  
[Note that for payment purposes the percentage is calculated to 10 decimal places and is based on the Maximum Funds against the Project's Total Eligible Costs.]
- D.1.2 "Maximum Funds".** The Maximum Funds the Recipient is eligible to receive from the Province under this Agreement is \$15,000.00
- D.1.3 Holdback.** The Holdback will be up to ten per cent (10%) of Maximum Funds from the final payment of Funds made under this Agreement.

#### ARTICLE D.2 COSTS

- D.2.1 Eligible Costs.** Eligible Costs are those costs or percentage of a cost defined as Eligible Costs in the Guidelines and are limited to costs which the Province has determined, at its sole and absolute discretion, to be costs properly and reasonably incurred, paid or reimbursed by the Recipient, and are necessary for the successful completion of the Project.

For greater clarity, Eligible Costs are those costs that are:

- (a) Incurred by the Recipient in the Province of Ontario on or after the Effective Date and on or before the Project Completion Date;
- (b) Paid by the Recipient to an Arm's Length third party;
- (c) Consistent with the applicable list of Eligible Costs set out in the Guidelines from time to time;
- (d) If related to travel or meals, are consistent with the requirements for travel and meal costs set out in section D.3.1 of this Agreement; and
- (e) In the Province's sole and absolute discretion, directly attributable and necessary for the successful completion of the Project and properly and reasonably incurred, paid or reimbursed by the Recipient.

PROJECT COSTS ELIGIBLE FOR FUNDING:
Decorative lighting costs
Downtown trees costs including delivery
Lighting electrical installation fees

When purchasing goods or services for the Project, Recipients must follow a process that is transparent and fair, that promotes the best value for the money expended and is at competitive prices that are no greater than the fair market value, including when retaining consultants and contractors.

- D.2.2 Incurring Eligible Costs.** The Recipient will incur Eligible Costs as described in section D.2.1 and in accordance with the following Budget of Provincial Contribution chart and no later than by the Project Completion Date:

PROJECT BUDGET						
FUNDING YEAR	QUARTER 1 (APR.–JUN.)	QUARTER 2 (JUL.–SEP.)	QUARTER 3 (OCT.–DEC.)	QUARTER 4 (JAN.–MAR.)	FUNDING YEAR PAYMENT UP TO	MAXIMUM TOTAL ELIGIBLE COSTS
2024-25	\$5,000.00	\$5,000.00	\$5,000.00	\$0.00	\$15,000.00	\$50,000.00
2025-26	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00
2026-27	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00
<b>MAXIMUM FUNDS FOR THE PROJECT</b>					<b>\$15,000.00</b>	<b>\$50,000.00</b>

**D.2.3 Ineligible Costs.** Ineligible Costs are any costs that do not meet the requirements for Eligible Costs in section D.2.1 of this Agreement or were not approved by the Province in writing before the Recipient incurred the costs. Ineligible Costs include but are not limited to:

- (a) Costs to apply to the Program;
- (b) Any cost incurred prior to the Effective Date or after the Project Completion Date;
- (c) Costs related to normal business practices such as but not limited to insurance and taxes, meetings not directly related to the Project, office space, utilities, regular or deferred maintenance, office supplies, stationary, business cards and promotional items, phones, internet and networks not for exclusive use within the Project, and uniforms;
- (d) Costs to obtain goods, services or both, where those goods, services or both were not obtained from an entity operating at Arm's Length from the Recipient;
- (e) Any in-kind costs;
- (f) Any cost that will be funded or reimbursed through any other agreement with any third party other than other ministries, agencies and organizations of the Government of Ontario;
- (g) Any cost associated with providing any Reports to the Province pursuant to Schedule "E" or other information required by the Province; and
- (h) Any cost associated with lobbying the Province, including other Ministries, agencies and organizations of the Government of Ontario.

### ARTICLE D.3 TRAVEL AND MEAL COSTS

**D.3.1** In order to be considered Eligible Costs, travel and meal costs must be:

- (a) Identified in section C.3 of this agreement
- (b) Incurred only by persons who were hired to work 100 per cent of their time on the Project and whose position is reimbursed by the Funds;
- (c) Aligned with the most current Travel, Meal and Hospitality Expenses Directive (a copy will be provided upon request).
