West Parry Sound Recreation and Cultural Centre Board Open Meeting Report

Meeting Date: December 11, 2024

Report Title: November 30, 2024 Monthly Financial Reports

Submitted by: Steering Committee

Purpose of Report:

To provide the Board with the November 30, 2024 financial reports.

Resolution

That the November 30, 2024 financial reports be received for information.

Background:

The financial reports reflect the Board's financial position for the period being reported. The monthly financial reports are prepared on a cash basis. Funds received or expenses paid by the end of the reporting period are reflected in the financial reports. Some revenues and expenses not received or paid may not yet be accrued for the purposes of monthly reporting.

Balance Sheet as at November 30, 2024

The Board has received all the capital financial contributions from the funding partners. The balance sheet, Attachment 1 illustrates that the cash balance is now at \$947,024.

An accounts receivable of \$3,801,215 is showing as receivable in ICIP grant funding. The most recent progress report was submitted on September 20th and a payment for \$807,732 was received on November 20th.

A loan of \$2,035,785 has been made to the Town of Parry Sound for the purchase of 44 Joseph Street. This amount includes the cash consideration made plus land transfer tax.

As monies are spent towards the construction of the recreation centre they are recorded as an asset referred to as Work in Progress (WIP) until the project is complete. As at November 30, 2024, \$8,438,488 has been paid out and recorded as WIP.

\$847,014 is receivable from the Canada Revenue Agency for sales tax returns. \$79,659 in holdbacks are remaining as a liability following the release of the Holdback for the Early Works contract. \$1,372,500 has been received from the municipal partners excluding McKellar Township towards temporary cash flow until financing can be put in place which is showing as a liability as well.

Statement of Operations January 1 to November 30, 2024

The Board receives revenues and incurs expenses that are not related to the construction of the facility. These items are recorded in the Statement of Operations, Attachment 2. This statement covers the period January 1, 2024, to November 30, 2024.

In 2024, \$57,290 of donation revenues, other fundraising of \$18,133, and 543 in t-shirt sales have been recognized by the Board. \$3,873,874 in ICIP Community Culture Grant Revenues have been claimed to date.

All municipal contributions have been received in prior years as set out in the Partnership Agreement have been submitted to the Board.

Funds on hand are earning interest of \$190,960 to-date in 2024.

Legal, and other consulting costs to date are \$69,733 which includes agreement work, advice regarding the purchase of land including donations, etc.

\$15,000 has been paid for insurance and \$1,918 towards the website and financial system software.

West Parry Sound Area Recreation and Cultural Centre Board Meeting Report Fundraising Report as of November 30, 2024

The statement identifies total donations, t-shirt sales, sponsorship/naming rights, and other revenues year to date of \$571,618 has been received and expenses of \$18,253.15 paid. The fundraising activities show a surplus to date of \$575,728 including the beginning balance for the year of \$22,363. The Moose FM Campaign raised \$196,384 exceeding the goal of \$100,000 to be matched by an anonymous donor. The Carmichael Family Foundation has now been announced as the donor and has stepped up to increase their contribution to \$190,000. That contribution is not yet reflected in the report but is forthcoming. The report does not include financial commitments made, but not received.

The West Parry Sound Recreation and Cultural Centre is now listed as a Qualified Donee and may accept donations and issue taxation receipts. Some administration is required to prepare for the switch to tax receipts such as switch over of the donation software, etc. Staff are working through those details. At the end of 2024, upon completion of the annual reconciliation, a request will be made to Parry Sound Council as a formality to transfer the donations received to date to the Joint Municipal Services Board so all donations will be with the Joint Municipal Services Board.

Cash Flow

The requirement for additional cash flow was anticipated by the partner municipalities during the construction of the facility. The Board is currently working on securing financing for cash flow during the construction of the project. In the meantime, cash flow has been required from the participating municipalities temporarily.

The cash balance is currently at \$947,024 but, following payments being cashed, the balance will be at \$389,548.

A claim for \$3,498,858 is in the final stages of review and expected for payment soon. Invoices coming in are closely being tracked to gauge whether another cash call would be required in the meantime. Upon receipt of the payment, the cash balance will be reviewed against outstanding invoices to assess the situation.

Details regarding the paperwork requested for the short-term borrowing of the board are still under legal review. Financing costs have been delayed to date for the project.

Financial Impact:

This is an information report. There is no financial impact.
